FEMALE FOOTBALL SERIES: PROGRAMME GUIDE

Playing Rules:

- No more than 10 players may make up a match day squad, per team. The playing format will be 5v5
- Substitutions are a roll on roll off basis and you may repeat subs as many times as you wish. Substitutions can only be done once the ball is out of play, and has been sanctioned by the referee.
- Teams will be told of the match duration at the start of each match day. This will depend on the number of teams participating on a given match day.
- All players are allowed within the goal area, and goalkeepers are allowed outside of the goal area.
- A kick off is taken from the centre spot at the start of the game and after each goal has been scored. Opponents of the kick must be 3 metres away from the ball.
- A goal MAY NOT be scored directly from a Kick Off or any restart of play.
- When a ball is put out of play on the side-lines, play will be restarted with either a throw-in or a roll-in, (whichever the player feels most comfortable in doing). Roll-ins must be done below shoulder height. Opposing players must be a minimum of 2 metres away.
- When a ball is put out of play over the goal line by the defending team a corner will be awarded to the attacking team.

continued:

- When a ball is put out of play on the goal line by the attacking team, a goal kick (preferred) or roll will be awarded to the defending team. If the goalkeeper is rolling the ball out, this must be done below shoulder height. This may be taken from anywhere within the goal area. Opposing players must be 3 metres away from the point at which it's placed. The ball must not be kicked over the half way line without a bounce.
- The ball may be played above head height, unless otherwise stated in competition regulations.
- The Goalkeeper may pick up the ball from a back pass. Drop kicks are not permitted by goalkeepers. If a goalkeeper wishes to kick the ball this **MUST** be off the pitch surface.
- Opposing players must be a minimum of 3m from the place of the free kick.
- All free kicks are indirect (a goal cannot be scored directly from a free kick without the ball touching a second player).
- If the ball touches the referee, and goes into the goal, possession changes or an attacking move starts, play will restart with a drop ball, at the place on the field of play where it touched the referee.
- When there is a defensive 'wall' of 2 or more defensive players, attacking players must be at least 1 metre from the 'wall'.
- At the end of the match it is the team manager's responsibility to ensure that the referee properly records the result. There will be no post tournament appeal.
- Slide tackles are **NOT** permitted in any matches.

FEMALE FOOTBALL SERIES: PROGRAMME GUIDE

Expectations:

We want to make sure all of that the selected teams chosen to enter, complete the whole female series. It's important that each is attended well.

To encourage everyone to do this, if you can attend all of the 5 fixtures in the season, a club will receive an incentive from your home county FA, this will be county specific but examples are a voucher for the club to use, kit and equipment for the following season or tickets to a pro club game.

Entry into this series is FREE, as we want to encourage participation but we need your help to make sure we can fulfil this programme for this to continue.

FEMALE FOOTBALL SERIES: PROGRAMME GUIDE

Role Models:

We want to encourage players within our talent pathway to come along and share their experiences, so we will be looking to add this in to several of those fixtures. It's great to share their experiences and inspire the next generation

We welcomed both **Rebecca Kemp** and **Jack Rutter** along to our end of season festival at St George's Park.

Rebecca Kemp is part of the England Women Deaf Squad, and Jack Rutter is the former Captain for the England & GB Paralympic Cerebral Palsy Team.
