ABOUT STAFFORDSHIRE FA

Founded In 1877, The Staffordshire Football Association Is The Guardian Of Our National Game In The County.

Responsible for efficiently governing and developing the local game, the Staffordshire FA strives to positively influence participation for all in football regardless of age, ability, sex, sexual orientation, race, religion and socioeconomic status.

Our aim is to make a positive difference within football, giving everyone the opportunity to access quality football opportunities and experience to fulfill their potential. We are keen to develop partnerships in order to promote the benefits of football and improve the facilities where football is played.

With over 1,700 teams, 30,000 players and 800 referees, Staffordshire FA is responsible for providing a support structure that enables players, volunteers, coaches and referees to develop individually or as part of a Club or League and most importantly, participate in a safe and enjoyable environment. We are a progressive County FA who celebrate our history and traditions but we do not dwell on them. We are a dynamic, fast moving and evolving organisation which is passionate about our sport and its long term success.

WHY SHOULD I APPLY?

**ENGLAND
FOOTBALL**

This really is an existing role for us and one which will play a significant part in developing grassroots football facilities for years to come.

The successful candidate will join a fantastic team who share the same desire to provide the best football experience for all and we are keen to find a strong leader who will be able to take our football facility work to another level.

Supporting our Club, League and Partner networks to protect and enhance their football facilities is essential for this role.

Grass Pitch improvement is a priority for us, so leadership and innovation skills are essential to ensure all affiliated football is played on a good quality pitch.

The role will also have a specific focus in Stoke on Trent, working in partnership with Stoke on Trent City Council to deliver their facility development ambitions for clubs and leagues across the City along with their own assets.

The City Council are embarking on the delivery of their new Playing Pitch Strategy across the City and this role will help deliver the ambitions of this Strategy.

A committed, conscientious, and ambitious person who is passionate about grassroots football and facility development and who is looking for an exciting challenge will thrive in this role.

We pride ourselves on exceptional customer service with communication skills being key to help influence and provide innovative solutions to enhance Staffordshire's Football Facilities.
