

Sports10

Need to repair damaged goal mouths and high wear areas? Try Sports10 from British Sugar TOPSOIL

- 
- ✓ Easily applied by hand
 - ✓ Sports10 will stay in place and won't kick out like high sand compost dressings
 - ✓ The nutrients naturally contained, within the silt and clay, will sustain healthy grass growth
 - ✓ STRI tested

A mix of 80% predominantly fine to medium sand and 20% British Sugar TOPSOIL
