

Sports¹⁰ and Sports&Turf¹⁰

Sports10

Ideal for repairing localised high wear areas

- ✓ Easy to apply by hand
- ✓ Sports10 will stay in place and won't kick out like high sand compost dressings
- ✓ The nutrients naturally contained, within the soil, will sustain healthy grass growth
- ✓ STRI tested

A mix of 80% predominantly fine to medium sand and 20% British Sugar TOPSOIL

Sports&Turf

A topdressing for soil based winter games pitches

- ✓ Easy to apply by spinning disc brush topdressers
- ✓ Promotes and sustains grass growth
- ✓ Supports seed germination
- ✓ Helps to level and repair the playing surface
- ✓ STRI tested

Sports&Turf is a blend of 90% medium to coarse sub angular sand with 10% British Sugar TOPSOIL
