ENGLAND
FOOTBALL

On behalf of the Board, Council and staff of Suffolk FA I wish you a warm welcome to the Endeavour Automotive Suffolk Premier Cup Final here at Bury Town FC.

Once again, we thank all those involved with Bury Town FC for their enthusiasm and commitment to host tonight's final, especially at such short notice, and provide a memorable evening for all involved – it is hugely appreciated. Please enjoy the facilities with respect and gratitude.

The road to this year's final has been as exciting as ever.

Both teams received a bye in the first round when only six sides were involved in three ties.

Needham Market, winners of the cup for the past two seasons, defeated Felixstowe & Walton United 5-0 in the second round, while Stowmarket overcame Lakenheath 3-0.

Both teams had 3-1 victories in the quarter-finals – Needham Market at home to Long Melford and Stowmarket away to AFC Sudbury.

In the semi-finals, Needham Market defeated divisional rivals Leiston 1-0 and Stowmarket beat Bury Town 3-0.

The third team involved in the Final will be the team of match officials. This is an occasion as much for them to enjoy as it is the teams.

They have been selected to officiate these prestigious matches through merit, and whilst they may well make decisions which you don't agree with, they will make those decisions based on what they see/hear in a split second, without replays or slow motions.

I invite you to carefully read the Spectators' Code of Conduct included within this programme and do everything you can to ensure you and those around you abide by it.

Finally, a huge note of appreciation to our sponsor Endeavour Automotive, who acquired the business from previous sponsors Turners Hyundai during the course of this season.

Endeavour Automotive was founded in 2012 and acquired Hyundai in North London.

They have Hyundai showrooms in Bury St Edmunds, Ipswich, Colchester, North London, Stratford and Watford.

As well as Hyundai their brands include approved used cars, LEVC, Lotus, Ineos Grenadier, Polestar and Volvo.

I hope you enjoy the matches and thank you again for passionately but respectfully encouraging your favoured team.

With best regards

Richard Neal

In November 2016, British football was rocked by a series of high-profile revelations regarding child sexual abuse. Several former professional players bravely waived their right to anonymity to speak out about their past abuse.

A number of those involved, decided to set up the Offside Trust, an organisation committed to supporting survivors and working to make sport safer for children.

Former professional footballer Steve Walters is director of the Offside Trust.

We are proud to work with and support fellow survivors. In addition to Steve, the Offside Trust family includes the amazing ambassadors listed below and several others who wish to remain anonymous:

Gary Cliffe, former youth team player at Manchester City

Dion Raitt, former youth team player at Peterborough United

Alan Arber, former Norwich City player

Callum Hancock, professional boxer

Our aims are:

- To raise awareness of the importance of safeguarding across all sports at all levels
- To provide survivors with advice guidance and resources to aid the healing journey
- To campaign for legal and regulatory changes to improve safeguarding in sport

Our objectives are:

- To secure partnerships with clubs at all levels, in all sports
- To engage with survivors and signpost them to the appropriate professional support
- To engage with survivors within the Offside Trust Support Network
- To support charitable helplines with specific focus on survivors in sport
- To change the law on child sexual abuse being exempt from 'Double Jeopardy'
- To lobby for 'Mandatory Reporting' to be adopted in UK law
- To engage with political and judicial bodies to strengthen legal support for survivors

Since 2016, the Offside Trust has received the support of supporters, clubs, players and former professionals throughout the sporting world. We focus on all sports, not just football. We are grateful for the support that we are getting from everyone including the people in cricket, rugby, golf and boxing, helping to raise further awareness across sport.

The Offside Trust works alongside governing bodies, charities and organisations that deal with safeguarding.

If you are a survivor of child sexual abuse in sport, there are a number of resources available.

The FA have commissioned a dedicated NSPCC helpline for adults who were abused in childhood within the football industry from grassroots to Premier League. If you would like to speak to somebody the free NSPCC helpline for guidance and support is available 24 hours a day on **0800 023 2642**. Our friends at Survivors Manchester (<https://www.survivorsmanchester.org.uk/>) and Samaritans (<https://www.samaritans.org/>) have help and support available if you need to talk.

If you think that a child is in immediate danger please dial 999.

If you are a child who needs help, please call Childline on 0800 11 11.
