Training

Level 1 Winter Pitches:
In Season (Maintenance)

For football and rugby

Course description

The key subjects – assessment and aeration to mowing and line marking, plus more – are studied through a progressive one-day course, featuring a productive presentation, plus turf care theory and practical working demonstrations. Learn what is involved in preparing and maintaining a surface that allows for maximum playability. In addition, receive a Certificate of Attendance. (Lunch provided)

Some of the subjects covered on this course

- ✓ Definition and assessment of surface
- ✓ Sequence of in season annual maintenance
- ✓ Mowing, scarification, verticutting and harrowing
- ✓ Fertiliser application and top dressing
- ✓ Line marking: setting and marking out
- ✓ Turf problems: weeds, pests and diseases
- ✓ Safe and effective use of equipment

Is this training day suitable for me?

Ideal for the volunteer, new employee or just as a refresher for the established employee, develop your knowledge with the latest best practices and explore the requirements you need in order to optimise your playing surface.

What can I do after this course?

Take your next step with Level 1 Winter Pitches: Renovation, or Level 2 Winter Pitches: Applied Turf Culture. Alternatively, and for a more formal route, take on the IOG Level 2 Technical Certificate in Turf Surface Maintenance. (No practical work is involved.)
