A THRIVING LOCAL GAME

SUFFOLK COUNTY
FOOTBALL ASSOCIATION

Introduction

The Suffolk FA Referee Promotion Scheme is for ambitious referees who are looking to further their careers. It is our aim to provide these referees with high-quality support and development throughout the season through match observations and development workshops.

Promotions up to and including Level 5 are the sole responsibility of Suffolk County FA following guidance set by The Football Association. Referees seeking promotion from Level 5 (Senior County Referee) to Level 4 (Supply League Referee) will be nominated by Suffolk County FA, however the final decision as to whether the referee is reclassified is at the discretion of The Football Association.

As specified within The FA Rules and Regulations, the Promotion Scheme for the 2020/21 season will run from the 1st July 2020 until 30th April 2021. During this period, referees will be required to meet the criteria specified as appropriate. Referees will be notified of the outcome of their application following the conclusion to the season.

This booklet details the pre-requisites for a referee to be eligible to apply for promotion to the next level, as well as the criteria expected throughout the season. Any referee seeking promotion should read and understand the criteria and expectations of the scheme before applying.

Any additional queries relating to the Suffolk FA Promotion Scheme can be sent via e-mail to RefereePromotions@SuffolkFA.com or by contacting the Referees' Department by calling 01449 616606 (Option 5).

Additional Information

Application for Male and Female Pathways

A referee may apply to be part of a Promotion Scheme in both the Male and Female pathway. This should be indicated at the point of application.

Multiple Promotions within the Same Season

If a referee is identified as having the potential to make rapid progression, they may be invited to seek multiple promotions within the same season. This decision is at the sole discretion of the County FA.

Referee Match Records

Prior to the start of the 2020/21 season, candidates within the Suffolk FA Promotion Scheme will be sent a link to access their unique Match Record folder. It is the responsibility of the referee to ensure that this is updated regularly, including any cancellations or late appointments. Failure to do so may result in the referee being removed from the scheme.

SISRA Observe

Each referee seeking promotion will have access to SISRA Observe where their referee observations will be published.

Notification of Match Observations

Referee Developers will contact the match referee prior to conducting an observation for the purposes of the Referee Promotion Scheme. When contact is made, the referee should establish with the Referee Developer their expected arrival time to the ground and how contact will be made directly should late changes be made to the fixture.
