Welcome message

Dear Club Secretary

This year has been the most trying that anyone running a grassroots football club can remember in their lifetime.

To say that it has been tough would be an understatement, with clubs facing a battle just to survive during the COVID-19 pandemic.

To this end, Suffolk FA have worked with a number of sponsors and partners to put together this Affiliation Pack.

This includes a series of offers that we have compiled that you will hopefully find useful to your club during the course of the 2020/21 season and beyond.

Suffolk FA are always looking to develop relationships with sponsors and partners.

If you or your company is interested in sponsoring or becoming a partner of Suffolk FA, please contact me via the details at the foot of this page.

Enjoy the remainder of your season.

We are starting to work with local football associations and other agencies to raise awareness of the issues that still surround all sports and the abuse people suffer.

Suffolk FA have kindly agreed to support us along with many clubs and leagues. The Norfolk Combined Youth League are providing our popular Respect captains Armbands to every team in their league from U12 to U18 a total of around 220 teams. This is a fantastic gesture and they will also have our logo on all their league clothing for the coming season.

We have many ways to support The Offside Trust. These include;

- Purchasing merchandise from your club shop
- Holding an Offside Trust Awareness Day
- Our logo on your club kit
- Offside Trust Training Shirts
- Advertising Boards around the pitch
- Advert in your matchday programme

One of the most popular ways to support The Offside Trust is our Captains Respect Armbands with over 150 clubs purchasing from across the country.

If you would like to support us in our mission to ensure that what happened to us as children never happens to anymore children moving forward, please get in touch with our East Anglian Ambassador, Alan Arber on alanarber@hotmail.co.uk or @**arber_boy** on twitter for more information on how to support.
