FOOTBALL

Dear Club Secretary

These past few months have been the most trying that anyone running a grassroots football club can remember in their lifetime.

To say that it has been tough would be an understatement, with clubs facing a battle just to survive during the COVID-19 pandemic.

To this end, Suffolk FA have worked with a number of sponsors and partners to put together this Affiliation Pack.

This includes a series of offers that we have compiled that you will hopefully find useful to your club during the course of the 2021/22 season and beyond.

Suffolk FA are always looking to develop relationships with sponsors and partners.

If you or your company is interested in sponsoring or becoming a partner of Suffolk FA, please contact me via the details at the foot of this page.

Enjoy your season.

Safe Eyewear Fund

Suffolk FA are once again running their Safe Eyewear Fund for the 2021-22 season.

The fund was introduced last season to ensure players under the age of 18 experience no barriers to playing the game in Suffolk and has now been extended to include adult players this season.

Wearing everyday glasses whilst playing risks injury to either the player or other participants. Within the Laws of the Game, match officials can prevent players wearing glasses from playing if the participants glasses are deemed unsafe.

For eligibility criteria and details of how to apply via the Suffolk FA website click [here](#)

The Suffolk FA Benevolent Fund assists injured Youth and Adult players and officials in necessitous circumstances.

This is not an insurance scheme, grants will only be made where it is evident that there has been financial hardship during a period of incapacity and the club has contributed during the current or preceding season.

Clubs must assist a player financially before any claim will be considered, and medical proof must accompany a claim when a player has been off work due to their injury.

Clubs are requested to strongly advise any player who is self-employed to take out Personal Accident Cover.

For full details on the Suffolk FA website click [here](#)

National Game Insurance Scheme

Sportsguard are the preferred insurance provider for Suffolk FA affiliated clubs for the 2021-22 season.

There are two types of insurance policies required for the season – Personal Accident Insurance and Legal Liability Insurance.

For the 2021-22 season Suffolk FA have arranged a group policy, providing cover for all affiliated adult teams and cover for all affiliated youth teams.

There is an option to upgrade your cover via Sportsguard.

THE OFFSIDE TRUST

www.offsidetrust.com

The Offside Trust is an organisation that was started for survivors and run by survivors of child sexual abuse in sport and has grown to support people who have experienced sexual abuse.

We are starting to work with local football associations and other agencies to raise awareness of the issues that still surround all sports and the abuse people suffer.

Suffolk FA have kindly agreed to support us along with many clubs and leagues. The Norfolk Combined Youth League are providing our popular Respect captains Armbands to every team in their league from U12 to U18 a total of around 220 teams. This is a fantastic gesture and they will also have our logo on all their league clothing for the coming season.

We have many ways to support The Offside Trust. These include;

- Purchasing merchandise from your club shop
- Holding an Offside Trust Awareness Day
- Our logo on your club kit
- Offside Trust Training Shirts
- Advertising Boards around the pitch
- Advert in your matchday programme

One of the most popular ways to support The Offside Trust is our Captains Respect Armbands with over 150 clubs purchasing from across the country.

If you would like to support us in our mission to ensure that what happened to us as children never happens to anymore children moving forward, please get in touch with our East Anglian Ambassador, Alan Arber on alanarber@hotmail.co.uk or @arber_boy on twitter for more information on how to support.
