# Welcome Message

Dear Club Secretary

After two Covid interrupted seasons it was a relief for all concerned that the 2021-22 season took place with minimal disruption and league and competitions were able to be completed on time.

However, there's no getting away from the fact that clubs found it tough as we emerged from the Covid pandemic.

Not everyone at grassroots level wished to return to playing, spectating, volunteering or officiating, putting a greater burden on those who remained involved.

That's why our Affiliation pack for clubs may just prove invaluable during the 2022-23 season.

Suffolk FA have worked with a number of sponsors and partners to put together this season's Affiliation Pack.

It includes a series of offers that we have compiled that you will hopefully find useful to your club during the course of the 2022-23 season and beyond, so please share with your club members.

Suffolk FA are always looking to develop relationships with sponsors and partners who can bring benefit to the local community.

If you or your company is interested in sponsoring or becoming a partner of Suffolk FA, please contact me via the details at the foot of this page.

Enjoy your season.

Hence, Veo aims to make sports technology accessible to all, to help every player and team take their game – and their sport – up a level.

Veo believes in the power of technology to amplify football's positive impact in our world. Technology has the power to make players better players and coaches better coaches. We do it with a camera that can automatically record football and a state-of-the-art analysis platform, all powered by AI.

## Live-stream

Now, Veo provides the opportunity for clubs, teams and players to live-stream games at the touch of a button in The Northern Premier league. This allows friends, family, and fans to experience the greatest moments when it happens and when it matters - in real time!

Off the pitch, Veo makes it simple for coaches and players to analyse their game and easy for fans of non-league football to stream and share every moment. Anytime, anywhere. Coaches are busy people. With Veo, they can dedicate their time on the pitch to coaching, not filming.

# Safe Eyewear Fund

Suffolk FA are once again running their Safe Eyewear Fund for the 2022-23 season.

The fund was first introduced in the 2020-21 season to ensure players under the age of 18 experience no barriers to playing the game in Suffolk and last season was extended to include adult players.

Wearing everyday glasses whilst playing risks injury to either the player or other participants.

Within the Laws of the Game, match officials can prevent players wearing glasses from playing if the participants glasses are deemed unsafe.

For eligibility criteria and details of how to apply via the Suffolk FA website click [here](#)

SUFFOLK FA are continuing the Youth Retention Fund for the 2022-23 season.

The fund, launched last season, is to support families who are facing financial challenges, meaning young players are in danger of not being able to play for an affiliated team.

The Youth Retention Fund supports the cost of young players' club membership fees and other expenses in a bid to prevent children dropping out of football simply because of the cost of playing.

Up to £150 is available per child, to a maximum of £500 per club, and applications can be made on behalf of anyone playing in an under 18 age group or below for the 2022-23 season.

For further details around eligibility and how to apply, please click [here](#)

The Suffolk FA Benevolent Fund assists injured Youth and Adult players and officials in necessitous circumstances.

This is not an insurance scheme, grants will only be made where it is evident that there has been financial hardship during a period of incapacity and the club has contributed during the current or preceding season.

Clubs must assist a player financially before any claim will be considered, and medical proof must accompany a claim when a player has been off work due to their injury.

Clubs are requested to strongly advise any player who is self-employed to take out Personal Accident Cover.

For full details on the Suffolk FA website click [here](#)

# Public Liability and Personal Accident Insurance Scheme

Sportsguard are the preferred insurance provider for Suffolk FA affiliated clubs for the 2022-23 season.
