"No child should suffer the way we did. Please never let this happen again."

"We must learn from the past, watch the present and create a better future."

"We're the ones that have to live with the impact of his crimes every single day."

"Why can't they admit they had a duty of care and they failed. They failed abysmally."

"Sport has a moral obligation to safeguard children!"

"We must stop the most horrific abuses of position and trust from ever happening to children in sport."

"Children should be safe to play the sports they love. Free from harm and without fear."

NOTES
"The safeguarding of children in sport must always come first. To put the reputation of any individual, club or organisation first is simply inexcusable. In fact it's criminal."

"Sorry son. I never protected you. It was the one job I had to do. I failed."

"IT BROKE MY HEART. MY FATHER KNEW ABOUT MY ABUSE, BUT NEVER SAID ANYTHING UNTIL HIS FINAL DAY."

"It's the responsibility of every person to safeguard a child."

"Courage to speak is the first and hardest step for adult survivors. Overcoming stigma, shame, ignorance and re-victimisation is a continual journey."

The Suffolk FA Benevolent Fund assists injured Youth and Adult players and officials in necessitous circumstances.

This is not an insurance scheme, grants will only be made where it is evident that there has been financial hardship during a period of incapacity and the club has contributed during the current or preceding season.

Clubs must assist a player financially before any claim will be considered, and medical proof must accompany a claim when a player has been off work due to their injury.

Clubs are requested to strongly advise any player who is self-employed to take out Personal Accident Cover.

For full details on the Suffolk FA website click [here](#)

Youth Retention Fund

SUFFOLK FA are continuing the Youth Retention Fund for the 2023-24 season.

The fund, which was first launched for the 2021-22 season, is to support families who are facing financial challenges, meaning young players are in danger of not being able to play for an affiliated team.

The Youth Retention Fund supports the cost of young players' club membership fees and other expenses in a bid to prevent children dropping out of football simply because of the cost of playing.

Up to £150 is available per child, to a maximum of £500 per club, and applications can be made on behalf of anyone playing in an under 18 age group or below for the 2023-24 season.

For further details around eligibility and how to apply, please click [here](#)

Safe Eyewear Fund

Suffolk FA are once again running their Safe Eyewear Fund for the 2023-24 season.

The fund was first introduced in the 2020-21 season to ensure players under the age of 18 experience no barriers to playing the game in Suffolk and has since been extended to include adult players.

Wearing everyday glasses whilst playing risks injury to either the player or other participants.

Within the Laws of the Game, match officials can prevent players wearing glasses from playing if the participants glasses are deemed unsafe.

For eligibility criteria and details of how to apply via the Suffolk FA website click [here](#)

Public Liability and Personal Accident Insurance Scheme

Sportsguard are the preferred insurance provider for Suffolk FA affiliated clubs for the 2023-24 season.

There are two types of insurance policies required for the season – Personal Accident Insurance and Legal Liability Insurance.

For the 2023-24 season Suffolk FA have arranged a group policy, providing cover for all affiliated adult teams and cover for all affiliated youth teams.

There is an option to upgrade your cover via Sportsguard.
