CAROLINE MCROYALL WELCOME

Caroline McRoyall, Surrey FA's Chief Executive, welcomes you to the Sunday Veterans Cup Final, here at Carshalton Athletic Football Club.

Hello, and welcome to Carshalton Athletic Football Club for this evening's Surrey County FA Sunday Veterans Cup between Manor Athletic and Horley Town Vets. We extend a warm welcome to tonight's teams, as well as their friends, family and supporters on what I'm sure will be a fantastic evening of football.

On a separate note, Surrey FA would like to take the opportunity to apologise for any inconvenience the re-scheduling of this final has caused.

The delays to Meadowbank Football Ground were out of our control, however we're certain tonight will still be as memorable and exciting as a cup final should be. Thank you to our hosts tonight (and our other finals) for stepping in and helping us stage this year's finals, your efforts are greatly appreciated.

Nick Drew, County Member of the Surrey FA will be presenting the trophy and medals to the finalists.

Gordon Harrison, County Member of the Surrey FA will be presenting the trophy and medals to the finalists.

I would like to take this opportunity to thank Specsavers, our headline sponsor and Premier Sports who are sponsoring the Player of the Match award.

Tonight's games will consist of 45 minutes each way, and if the scores are level at the end of 90 minutes, 15 minutes each way extra-time will be played. Should the scores still be level, kicks from the penalty mark will decide the outcome of the matches. Finally, thank you for your attendance this evening, I hope you have a great evening and a safe journey home.

"tonight will still be as memorable and exciting as a cup final should be"

Caroline McRoyall
Surrey FA Chief Executive

We also welcome tonight's Match Officials. The Referee is Gareth Mays his two Assistants are Connor Fanelli and Richard Hailstone and the Reserve Referee is Scott Orchard.

GETTING TO KNOW MANOR ATHLETIC VETERANS

Formed in 1968 by pupils at the Richard Challoner School at Malden Manor, New Malden, the youth team started off in the Sutton Trojan League.

After many good hidings they persisted and were rewarded in their final season at youth level with the Surrey Invitation Under 18 Challenge Cup, a narrow 1-0 win in the final over Raynes Park Rovers, their first ever over their great rivals.

Progression to the 10th Division of the Morden & District Sunday League brought greater returns with the league championship and the Top Goalscoring Cup with a record number of some 138 league goals which we believe is still a record.

Promotion to the sixth division and then slower progress to finally reach the Premier Division where it remained until it was decided in 2001 to withdraw and run solely as a Veteran side.

The most successful year for the club was the 1977/78 season when the Surrey Intermediate Sunday Cup was won together with the Surrey Centenary Cup, a league cup and second place in the league.

The club had at one stage grown to three Sunday teams all playing in the same league. All Surrey Challenge Cup honours have

been won with the exception of the Senior Section, and although finalists, were beaten by a strong Leatherhead Sunday team 1-0. The Veterans team has now been running for the past 27 years with ten successes in the final of the Surrey Veterans Cup and also a losing finalist.

For the past 23 seasons the club has entered the Umbro National Veterans Cup competition being winners in 2003, 2006, 2007 and 2016.

Mark Fabian the present manager has done a fantastic job in keeping the club going strong into their 50th year and would love to cap this anniversary with a trophy.

MANOR ATHLETIC VETERANS

PLAYER PROFILES

Here's the Manor Athletic team going to battle this evening...

MANAGER: Mark Fabian

COACH: Derek Brown

PHYSIO: Pete Bromley

BARRY HAYLES

Forward. Hopefully Barry will be fit tonight though has played over 50 games already this season. Prolific in his younger days but yet to score for Manor this season.

JON NURSE

Forward. Scored the winner for Met Police 3 weeks ago and then ruptured his achilles so unfortunately not available tonight. Always forgetting match day arrangements and always late!

STUART BAMFORD

Defender. The quiet assassin is a big loss for us tonight with a dislocated shoulder. Superb centre half and older brother of team member Gavin.

DEREK BROWN

Defender. One of the best ever non-league players. Will be on the bench giggling through the match and hope he doesn't see the buffet before the end. Fantastic bloke.

GAVIN BAMFORD

Midfielder. Quiet and consistent performer being the younger brother of Stuart but looks 5 years older. Been around for ever but says he is only 42!!

JAMIE LAWRENCE

Midfielder. Fitness freak, hopefully available tonight if not in Sky TV, training at Whitehawk or making someone sick at his gym. Good luck keeping up with him on the Guinness!!

KEVIN WATSON

Midfielder. Worst player in the squad for responding to text messages. Watto has been injured half a dozen times this season but mainly stress due to being 1st team manager at Bishop Stortford.

HOWARD NEWTON

Midfielder. Baby of the team, Howard may be late tonight as needs to finish his homework plus needs to get permission from his other half to play. A great addition to the squad.

SEAN DAVIS

Midfielder. Head of Manor "Entertainment & Forfeit Committee". He is hoping Watto is not available tonight so he can lead the team out. Great to see him injury free as very much needed on the pitch.

STEVE MCKIMM

Midfielder. Macca not available much this season as cheer-leading with this daughter, at football with his boys or releasing players at Tonbridge Angels where he is manager. Vital squad member.

MARK HYNES

Striker. "Chummy" is the team's mascot and team psychiatrist, though he can't spell it. Great bloke and longest serving player. Looks younger than his 53 years. Great goalscoring record.

SCOTT TAYLOR

Striker. Longest barren spell without a goal was two games earlier in the season, but top scorer for the past 4 seasons. Hopefully will see a hair out of place before the end of the match tonight.

SCOTT TARR

Goalkeeper. Shy retiring and almost retired goalie. Big man has a quiet personality but loves the one-liners. Great pair of hands!

JASON TUCKER

Defender. Homer Simpson lookalike, dependable, good passer of the ball and good at set pieces (or so he tells everyone).

RYAN GRAY

Defender. Son of the manager so gets a game every week, but definitely younger than his receding hairline. Excellent left foot and very consistent.

GARY MCDONALD

Defender. Great addition to the squad this season, though missed two games due to fractured eyelashes. Was late to the semi as ended up at Waterloo and not Tooting, work that one out?

WES REID

Defender. Without doubt the nicest man in football and the most consistent player in the squad. We love it when he gets angry!

MARK FABIAN

Defender. Reluctant sub when we are desperate but keeps his skills for management. His hard work and organization keeps the club going and his successes over the past years is a true reward for his efforts.

GETTING TO KNOW HORLEY TOWN VETS

Horley Football Club was first affiliated to Surrey County FA in 1896. In 1903 another local club by the name of Gatwick Rovers was formed and the two clubs merged in 1908 with Horley retaining its name.

Both these original clubs played in the same colours of red and black and it was not until 1912 that Horley adopted the colours of claret and blue that they still wear to this very day.

With the expansion of the village of Horley to a town the Club changed its name in 1974 to become Horley Town F.C. During this spell in senior football, Horley Town enjoyed their most successful period culminating in the winning of the Surrey Senior League title and Surrey Senior League Challenge Cup in 1976/77. The Club also reached the final of the Surrey Senior League Charity Cup in this season.

The club went on to compete in the London Spartan League and the Athenian League before returning to the Combined Counties League (formerly the Surrey Senior League).

In September 2003, Horley Town moved to their new ground, named "The New Defence" in deference to their old home, behind the Horley Adult Education Centre, which has

now been demolished and replaced by the new Horley Leisure Centre.

The Veterans team was formed in 2010 by the current Manager Gary Britton (Boggy) and plays in the Mid-Sussex Football League Fred Pretty Cup Competition – this consists of 20-30 teams in four divisions, winners and runners up going in knockout stage (Champions League format). Since forming in 2010 the team has reached 3 Quarter-Finals, 2 Semi-Finals (yet to play this season's) and one Final which it lost to Hassocks 5-1. The team won the Plate Competition in 2016 beating Faygate 2-0.

We also enter both the Surrey

and Sussex Vets County Cups. In the Surrey Vets County Cup it has reached 5 x Quarter-Finals and losing this season in the Semi-Final to Sporting Kitz 2-1 (the 3rd time in 7 seasons we have lost to Sporting Kitz, each time by one goal!)

The team entered the inaugural Sussex Vets County Cup last season losing in the Semi-Final on penalties to Eastbourne, reaching the final this season.

In 2017 we won the Sussex Vets Final beating Lingfield the defending champions 4-3.

INTRODUCING TONIGHT'S OFFICIALS

Here's a little more on the match officials taking charge of the Sunday Veterans Cup this evening

GARETH MAYS REFEREE

Gareth qualified back in 1984, and says that he loves the challenge that comes with every game.

Picking up lots of cup final appointments in his time, including the Surrey Senior Cup, Gareth loves how refereeing keeps him fit, has allowed him to make a huge number of friends, and in general unlocked lots of doors that being a player could not.

CONNOR FANELLI ASSISTANT REFEREE

Connor, who qualified as a Referee on 2010, says that the highlight of his careers so far is being part of the team who refereed at Wembley Stadium in the Danone Nations Cup 2013 - as well as achieving promotion to Level 5.

Refereeing keeps Connor involved in the sport he loves, and enjoys the challenges it brings.

Favourite player:
Wayne Rooney

RICHARD HAILSTONE ASSISTANT REFEREE

Richard begun his journey as a referee in 1983, and lists one of his highlights as acting as Assistant Referee for an FA Youth Cup Quarter final in front of 10,000 people at Craven Cottage!

He enjoys being able to facilitate good sporting games, with teams fully committed.

Favourite player:
Bobby Charlton

SCOTT ORCHARD RESERVE REFEREE

Scott took up the whistle back in 2012, and says his only regret is that he didn't do it earlier!

He says the satisfaction he gets from refereeing is incredible, and that he is dedicated on his journey to attain the highest level possible as a referee.

Scott wishes both teams good luck in tonight's final.
