CLUB REPORT ON MATCH REFEREE

Name of Refere SUIDE TO MAR Referee's overall and not based	ve:
GUIDE TO MAR Referee's overall and not based	
Referee's overall and not based	KING: The mark awarded by a club must be based on the
	performance. It is most important that the mark is awarded fairly upon isolated incidents or previous games. The Referee's uld be determined by the table below which should act as a guide ark which should fall within the mark range for each standard of
Mark Range	Comment
00-86 35-76	The Referee demonstrated very accurate decision-making and controlled the game very well using management and communication skills effectively to add value to the game. The Referee demonstrated accurate decision-making and and accurate decision-making and controlled the game very well using management and communication skills effectively to add value to the game.
'5-61	controlled the game well using management and communication skills to contribute positively to the game. The Referee demonstrated reasonably accurate decision-
	making and despite some shortcomings generally controlled the game well.
lecision-making a Club officials si distinguish betw a mark of 84 ind While some Rei have been som should be very i	The Referee demonstrated shortcomings in the accuracy of and control which affected the game. hould use the full range of marks within each category to help ween different performance levels, e.g. within the 85-76 category dicates a better performance than a mark of 77. ferees may have below average performances, there will usually be positive aspects of their performance, so extremely low marks rare. ials are marking a Referee, they should always look at the game
as a whole an influence the ma When a mark of Competition usi	nd not isolated decisions. The result of the match should not ark and disciplinary action should be judged objectively. If 60 or lower is awarded, an explanation must be provided to the ing the box provided on the marking form. The purpose of this is sees to improve their performance levels, so the comments should
