

There has been alarming levels of Misconduct and Abusive Behaviour within Surrey in recent seasons. Surrey FA are committed to working with all Youth & Adult leagues in the county to reduce the amount of misconduct within the game, making the game more enjoyable for all those involved.

Abusive behaviour within football towards anyone is totally unacceptable. We all bear a collective responsibility to set a good example and help provide a positive environment in which everyone can enjoy the game. This is an opportunity for us all to make a difference and make the game better for all.

If we do not have Respect for the opposition players, coaches, supporters, match officials, staff and volunteers, then we do not have the game of football we love.

Play your part and observe The Surrey FA Pledge to create a better environment for all participants of the game.
