We are delighted to announce that we are now recruiting for our Sussex County FA Youth Council 2019-20.

We are looking for 10 to 15 young people between the ages of 16 to 24 from all over the county to represent children and young people and to help shape and develop football within Sussex.

The newly formed group will work alongside our Youth Working Committee to inform decision making surrounding young people's involvement within football.

The vision of the Youth Council is to inspire, empower and provide a voice for all children and young people to influence change, and develop a lasting legacy in football.

Recognising diversity and promoting inclusion is a priority for the Youth Council in our efforts to make football a game For All.

The aims of the Youth Council will be drawn from The FA's National Game Strategy and developed from ideas within the team itself. The group will work cohesively to impact upon the number of children and young people participating and volunteering within football, as well as developing a network of young people to effectively deliver specific projects.

All members will be expected to assist in the running of multiple events throughout the year and aid practical delivery where needed.

There are a number of benefits to joining our Youth Council such as experiencing work-related skills that replicate the tasks performed by our staff members, which will help develop your employability and support college or university applications. You will also receive regular Continuous Professional Development opportunities and the opportunity to access The FA Leadership Academy.
