ABOUT THE PROGRAMME...

PROUD

TheFA

**Charter
Standard.**

The Westmorland County FA Girls Player Development Programme has been bringing together the most talented girls from the county for the past 10 seasons. The PDP welcomes girls who either go to school in Westmorland, play for a Westmorland FA Affiliated club or play in the South Lakes Girls League which is run by Westmorland County FA.

The aim of the programme is to give quality coaching and new experiences to develop the most talented girls in the area, providing them with the opportunity to further themselves in football. The Westmorland County FA Girls PDP also acts as the representative side for the County FA. The Programme is also recognised as being FA Charter Standard.

Cost for the season - £90 per player (£3.50 per session) Payment made via BACS by 1st November
