ABOUT WEST RIDING FA

The West Riding County Football Association (West Riding FA) is the governing body of football in the county of West Riding (West Yorkshire and surrounding areas). We are the 5th largest County Football Association in the country and oversee all aspects of the game within our boundary.

We are responsible for providing the structure and support that enables our players, coaches, volunteers, and referees to perform their role with ease. Our utmost priority is that every participant in our county is given the opportunity to develop in a progressive and enjoyable environment.

In addition to our governance responsibilities, we concentrate heavily on the development of the local game and maintain a strong emphasis on the evolution of our stakeholders. By promoting 'Football for All' we encourage participation from all backgrounds and sections of society, inclusive of all protected characteristics.

By developing innovative programmes and cultivating opportunities in alignment with our governing body (The FA), we deliver the

The FA Grassroots Football Strategy in our County. We are immensely proud of our thriving culture throughout the non-professional game, a sector widely referred to as "Grassroots" football.

We believe it is essential to uphold our traditions and embrace the legacy of our past. However, we are very much a progressive organisation, happy to celebrate our history without residing on it.

Although the West Riding FA has been the governing body of all association football in the county for over 100 years, today we are an energetic, innovative, and ever-changing organisation.

As a not-for-profit organisation, West Riding FA reinvests back into the game any surplus in funds into improving products and services to grassroots football, growing, and retaining the game at all levels and formats, and supporting the workforce and facilities infrastructure to drive the game forward.

OUR STRATEGY

Our Strategy cycle is aligned to that of the Football Association with each cycle comprising 4 years. The current being 2024-2028.
