

YOUR GAME

THROUGH YOUR EYES

Here at West Riding FA we work with The FA [The Football Association] to look after football in your area, West Riding of Yorkshire. We help to grow the number of teams, players, referees, coaches and helpers that make your club run. We also aim to make football as fun and safe as possible for everyone.

We want to ask you about your experience of playing football as a youth football player, we would like you to be as honest as you can so that we can learn how to make the experience for you and your teammates the best it can be.

Please note this survey is anonymous.
