## About U15 Red

We focus on the technical and mental development of our players.

Our style of play is based on intensity, confidence and making good decisions when in or out of possession.

We ask our players to focus on performance, process and effort rather than outcomes or winning.

Our development focus enables us to be competitive in the leagues, competitions and tournaments we play in whilst playing in a style that our team enjoys.

## 21/22 Season

In the 2021/2022 season we played up a year. We had some tough games. The squad rose to the physical challenge of playing bigger and faster players. We won our league and made the 3<sup>rd</sup> round of the league cup.
