The football club was founded in 1992 from the amalgamation of two established Hellenic League clubs - Swindon Athletic and Supermarine.

Season 2021-22 has been another successful season since returning to the Premier South Division in 2018/19, with the team finishing their league campaign in 12th place. We go into the Premier Shield final on the back of only 1 league loss in the last 9 league games. Hopefully the boys will continue their recent good form with one final win to cap off a decent season.

The earliest record found of Corsham Football Club is 1878 with the club becoming affiliated to the Football Association in 1893. Over the years, the team has often been referred to as the Quarrymen due to the high level of quarrying in and around Corsham.

Despite the last two seasons being affected by Covid, the FA went ahead with planned restructuring of the Non-League Pyramid. The results from 2019/20 & 2021/21 were combined and this meant that Corsham Town finished in a position for upward movement to become a step 5 club.

2021/22 has proved to be extremely successful for Corsham Town, finishing in 5th place in Hellenic Premier Division. Corsham Town go into the Premier Shield final on the back of only 1 defeat in the last 7 games.
