STAY SAFE IN FOOTBALL GUIDE

FOR ALL

YOUNG REFEREE GUIDANCE

The health, well-being, safety and welfare of U18s is paramount. All adults working within football have a duty of care to all young people. This guidance is designed to maximise the enjoyment and wellbeing of young referees and to minimise risks.

Wiltshire FA wants to ensure you are aware of the support you can access should you have any concerns over your safety and welfare while carrying out your refereeing duties. This document outlines some key guidance. Please read the information below in full and keep it, and the contact details, safe in case you need them.

It is important to remember that the vast majority of football is played in safe and friendly environments where everyone can enjoy taking part. However, we appreciate that there may be occasions when you would like additional help and support.

MATCH DAY

GUIDANCE

TRANSPORTATION:

What if I need / am offered transportation to a game?

Your parent / carer / guardian must give written consent that they agree to you travelling with the adult.

Avoid one to one situations – best practice is 2 x U18 per adult.

Ensure the driver has a valid driving licence and is in a suitable condition to drive.

Ensure contact details of your parent / carer / guardian are shared with the responsible adult in case of emergencies.

CHANGING ROOMS:

Where can I get ready for the game?

You should be offered a place to change at the facility.

If you are with other officials you may have to share a changing room.

If the other officials are over 18, do not share the changing room whilst you are getting changed. Ask them to leave the room whilst you change and vice versa.

MATCH DAY GUIDANCE

What should I do if I feel threatened?

In the unlikely event you feel threatened whilst refereeing, your own safety must be your priority.

Find a supportive adult and ensure you can leave the venue safely. Avoid doing or saying anything that might make things worse.

At the first opportunity, please report these events to our Disciplinary and Designated Safeguarding Officer department. A member of the Wiltshire FA team will contact you when he/she has been informed about the incident.

What if I feel excluded from officiating matches?

If you have a disability or impairment or believe there are restrictions in place preventing you from fully accessing and enjoying refereeing then please inform us. Football is inclusive and that applies to refereeing too.

If you would like to chat about this, please contact the Wiltshire FA Referee Development Officer or Designated Safeguarding Officer (DSO) and we can help to remove the barriers to your full participation.

COMMUNICATION GUIDANCE

What if I am contacted on social media?

Do not invite adults in a 'Relationship of Trust' (referee / mentor / observer / coach) to become friends on social media.

Be mindful of 'liking' comments - these can be viewed as serious as writing them yourself.

Do not post, text or email inappropriate language, pictures, jokes or items of a personal nature that are derogatory, sexist, racist, threatening, abusive or sexualised. If you receive any of these, report this to the Wiltshire FA DSO.

What if someone asks for my number?

Do not give out your personal details, mobile number or email address to people you do not know.

Your details may be needed for a Referee Mentor to contact you regarding observations. Written consent from your parent / carer / guardian must be given and the purpose of why it is needed should be outlined. You should only be contacted for the purposes your parent / carer / guardian has signed for.

Advise the Wiltshire FA DSO if you receive messages or images from a Referee Mentor or club that you find upsetting, threatening or offensive.

CONCERNED ABOUT SOMETHING YOU'VE HEARD?

Tell an adult you trust if you are concerned about something you have seen or heard, if something doesn't feel right, or if you are worried about comments someone has made to, or about, you via text or social media.

It's really important that if you are concerned about your own safety, or the safety of another child or young person, that you let the **County FA Designated Safeguarding Officer** or the **County FA Referee Development Officer** know as soon as possible to ensure we can support you.

If you or someone else is in immediate risk of harm, then this should be reported to the police via 101 or 999 phone numbers.

You can also contact ChildLine for advice and support on 0800 11 11 or go online to www.childline.org.uk/get-support/

ATTENDING A DISCIPLINARY HEARING

During the course of your refereeing career you may need to attend a disciplinary hearing to give evidence. Don't worry about this as you will be offered guidance and support by a member of the Discipline team.

We take your age into account and ensure the environment is as supportive as possible. Referees under 18 should be accompanied by a parent/guardian or colleague. If you prefer, a member of our Refereeing Team or Designated Safeguarding Officer can be on hand to offer this assistance.

ATTENDING A DISCIPLINARY HEARING

The FA Judicial Services team has produced the below guidance for young people attending disciplinary commissions. The following practices must be followed to best protect the interest of young people where they are providing evidence.

1. Evidence should only be received from young people (accompanied by a responsible adult) in front of the Commission Members, Commission Secretary, participant charged and his/her representative.
2. All other occupants of a Commission will be asked to leave whilst a young person is giving evidence.
3. The asking of questions would be restricted to the Chairman only.
4. At the end of the questioning the representative or participant charged would be asked whether there are any other questions that they believe should be asked of the witness.
5. If required, additional questions could be put to the witness but again by the Chairman only.
6. Once all the questioning has been completed the young person would then leave the Commission room and will not be required to remain for the remainder of the hearing.
