

## **COVID-19 POLICIES AND PROCEDURES SEASON 21/22**

**Reviewed and updated May 2022**

**Please do not make a booking to attend any activity if you or any of your members/participants do not feel comfortable attending during the Covid-19 pandemic.**

- It is the Clubs/Organisations and site users responsibility to adhere to their own Covid-19 protocols as per the latest return to football guidance from the FA and the Government, update the Club/Organisation/User risk assessment and medical emergency action plan around player care and strictly follow the latest first aid guidance document to include conducting their own symptom checkers and temperature checks.
- Please do not attend if you have Covid symptoms or are Covid positive. Please do not attend if you are returning from travel where regulations require you to isolate. Please be extra vigilant if a household member has symptoms or test positive for covid-19, please ensure you are asymptomatic before attending and apply consideration for others which may include wearing a mask. Mask wearing is recommended at the discretion of the user, especially where in close proximity to persons not regularly contacted or where learners/tutors suffering from symptom of a common cold (non Covid related symptoms). Hand hygiene recommended to be present and available on all courses for learner/tutor use. Please note - Information regarding FA led courses/workshops have been supplied by The FA.
- Clubs/Organisations are responsible for making sure they are up to date with the latest Government and FA guidance and implementing the protocols and procedures.
- Mask wearing is recommended especially in crowded areas.
- Please use the hand sanitiser or hand washing facilities provided.
- Some courses/workshops/events still require PPE, this will be communicated to you by the event organizer.

**All tutors/WFA staff will be provided with the appropriate PPE depending on The FA and Government guidelines.**

**Please note it is your responsibility to be aware of the latest Covid-19 Government and Public Health England rules and guidelines and to understand the regulations for where you live and/or work and the rules for travelling. The latest information is provided on the Government and Public Health England websites**
