

FA Education Licensing Requirements 2018/2019

Affiliate Tutor Coach Education

FA Coaching Disabled Footballers Course

Tutor purpose:

Ensure effective delivery of FA Education courses, specifically the FA Coaching Disabled Footballers Course. Work closely with the County FA and Tutor Developers in contributing to a consistent learner experience across the coaching pathway and associated courses within the county. Deliver good quality learning sessions that deliver content in a dynamic and inspiring manner.

Key accountabilities as a licensed tutor:

- Deliver FA Education in the manner intended and in line with the FA Affiliate Tutor Principles of Practice.
- Demonstrate high expectations of yourself and learners ensuring a positive learning experience for all.
- Maintain correct and timely records of learner attendance and achievement.
- Provide individualised support for learners, as designed by the course, to maximise learner potential and drive progression.
- Commit to continual professional development, supporting quality processes and maintaining an individual Tutor Action Plan.
- Maintain mandatory training requirements, ensuring they are in date at all times.

Essential requirements of a licensed tutor:

- FA Level 3 (UEFA B) in Coaching Football
- Completion of FA Tutor Training (GTT or DDT) or commitment to complete in the 2018/2019 season.
- Experience & Knowledge of disability and disability football
- Experience of assessment in the workplace or formal educational settings.
- Understanding of the long term player development model (LTPD); Social, Psychological, Technical, Physical.
- Actively working with disabled players in a coaching capacity within the last 12 months

Desirable requirements of a licensed tutor:

- Actively working with players in a coaching capacity within the last 12 months.
- Experience of responding to the developmental needs of individual coaches.
- Competent use of learning technology.
- FA Youth Award Module 1
- FA Youth Award Module 2
-
