2 Introduction

2.1 UEFA's stated objectives of the UEFA licensing system are as follows:

- “(a) to further promote and continuously improve the standard of all aspects of football in Europe and to give continued priority to the training and care of young players in each Club;
- “(b) to ensure that Clubs have an adequate level of management and organisation;
- “(c) to adapt Clubs' sporting infrastructure to provide players, spectators and media representatives with suitable, well-equipped and safe facilities;
- “(d) to protect the integrity and smooth running of the UEFA Club Competitions;
- “(e) to allow the development of benchmarking for Clubs in financial, sporting, legal, personnel, administrative and infrastructure-related criteria throughout Europe.³
- “(f) to improve the economic and financial capability of the Clubs, increasing their transparency and credibility;
- “(g) to place the necessary importance on the protection of creditors and to ensure that clubs settle their liabilities with employees, social/tax authorities and other clubs punctually;

2.2 As provided in Rule 5(h) of the Rules of the Football Association Cup, Rule 22.3 of the Football League Cup competition and League Rule L.11, Clubs playing in UEFA Club Competitions must hold a UEFA Club Licence.

2.3 National associations are asked by UEFA, as licensors, to prepare and implement the provisions of the UEFA Club Licensing and Financial Fair Play Regulations 2018 with which clubs must comply in order to obtain a UEFA Club Licence. This Licensing Manual has been produced in response to that request. Clubs must continue to comply with those Regulations in order to obtain and keep a UEFA Club Licence. Clubs' attention is also drawn to Part III of the UEFA Club Licensing and Financial Fair Play Regulations 2018 which governs the monitoring requirements applicable to Clubs competing in UEFA Club Competitions. The Licensing Manual was approved by the Board on 6 November 2018, the Professional Game Board of the Football Association on 20 November 2018 and provided to UEFA for review on 26 November 2018. The criteria set out in the Licensing Manual must be complied with by applicant Clubs in order to obtain a UEFA Club Licence to compete in UEFA Club Competitions for the Season 2019/20. Any future amendments to it will require the approval of the Football Association's Professional Game Board and will come into force on such date as they shall specify. For the Licensing Manual to be amended during the licensing process, UEFA approval is required.

2.4 The criteria in this Licensing Manual are graded “A” or “B”. Grade A criteria are mandatory and failure to fulfil any Grade A criteria means the applicant cannot be granted a UEFA Club Licence. Grade B criteria are mandatory but failure to fulfil any Grade B criteria will not prevent the issue of a UEFA Club Licence but may result in a

caution or a fine, imposed in accordance with the disciplinary procedures set out in Section W of the Rules, and/or in the Club concerned being required to submit further evidence or fulfil certain conditions by a specified date.

2.5 An application for a UEFA Club Licence may be made by any Club which has qualified for, or anticipates qualifying for, a UEFA Club Competition on sporting merit. A Club which applies for a UEFA Club Licence shall provide to the League all information and documents required by the League to enable it to recommend to the Football Association Board whether the Club's UEFA Club Licence application should be granted or refused in accordance with the terms of the League's appointment by the Football Association as set out in clause 3.2 below.

2.6 A UEFA Club Licence may not be granted to an individual but only to a Club. Further, the Club must for at least three consecutive years prior to 31 May 2019:

2.6.1 have been a Full Member Club of the Football Association (as defined in the Articles of Association of the Football Association) and/or a member of the League or Football League; and

2.6.2 not have been subject to any material alteration undertaken to facilitate its qualification on sporting merit for any competition and/or its receipt of a UEFA Club Licence. Such alterations may include, by way of illustration and without limitation:

- (a) the transfer of the whole or part of the assets and undertaking (including the Club's membership of the Football Association and its share in the League or any share in the Football League which it held during the three years) of the Club to a new legal entity;
- (b) the acquisition or merger of the whole or part of the assets and undertaking of another Club;
- (c) the relocation of the Club; or
- (d) a change in the Club's playing name.

For the avoidance of doubt any such alteration shall only prevent a Club from obtaining a UEFA Club Licence if it was undertaken for the purposes set out above.

UEFA may grant an exception to the requirements set out in this clause 2.6. Applications by Clubs for such exceptions will be judged on a case-by-case basis in accordance with the Exceptions Policy set out at Article 4 and Annex I of the UEFA Club Licensing and Financial Fair Play Regulations 2018.

2.7 Pursuant to Football Association Rule C 1 (b) (ii), all players under written contract must be registered with the Football Association. Pursuant to Rule T.13 and Football Association Rule C 1 (b) (iv), full details of a player's remuneration must be set out in his contract with the Club. A copy of the contract must be submitted to the League. Pursuant to Football Association Rule C 1 (b) (v), all payments made to players must be made by the club or Club and fully recorded in its accounting records. Pursuant to Football Association Rule C 1 (g) (iv) the full consideration involved in any player transfer must be fully recorded in the accounting records of both clubs. Pursuant to Football Association Rule I 1 (h) (ii) a club or Club must account for its full gate receipts in its accounting records and bank account.

- 2.8 In addition to obtaining a UEFA Club Licence, a Club or club must comply with all the requirements of the relevant UEFA Club Competition in order to be admitted to it. Such admission process shall fall under the sole jurisdiction of UEFA whose competent bodies shall make the final decision regarding admission of Clubs or clubs to UEFA Club Competitions, subject to the UEFA statutes including the provisions therein concerning the Court of Arbitration for Sport.
- 2.9 Further, a Club or club that has qualified for a UEFA Club Competition must comply with the financial monitoring requirements set out in the UEFA Club Licensing and Financial Fair Play Regulations 2018 (unless it falls within one of the exceptions listed within those Regulations – see Article 57 thereof).

3 The Role of the League

- 3.1 The League has co-operated with the Football Association in the preparation of the Licensing Manual.
- 3.2 As licensor, the Football Association has appointed the League to administer the licensing process on its behalf and to recommend to the Football Association Board whether a UEFA Club Licence application should be granted or refused. Pursuant to the League's Articles of Association, the Board has appointed appropriately qualified persons to administer all aspects of the UEFA Club Licensing process, including a Director of Finance who is a qualified Chartered Accountant.
- 3.3 The Football Association as licensor will be at liberty to undertake an annual audit to satisfy itself that the licensing process is implemented by the League in accordance with the Licensing Manual. Such an audit will include an inspection of relevant documents in the possession of the League, and the Professional Game Board of the Football Association (or a sub-committee thereof) on behalf of the Football Association will be able to raise in writing with an applicant Club or any of its Associated Undertaking, Parent Undertaking or Subsidiary Undertaking specific issues in connection with its application for a UEFA Club Licence and the fulfilment of the UEFA Club Licensing System criteria.
- 3.4 Additionally, UEFA or its appointee may at any time on reasonable notice perform compliance audits on the Football Association and, in the presence of the Football Association and the League, on applicant Clubs⁴.

4 The First Instance Body

- 4.1 The first instance body which decides whether to issue a UEFA Club Licence to an applicant Club is the Football Association Board (or any committee to which such power has been delegated pursuant to the powers set out in clause 4.2 and 4.3 below), acting on the recommendation of the League on the basis of the documents provided by the applicant Club in accordance with the provisions of this Licensing Manual.
- 4.2 The Football Association Board has general power to delegate any of its powers to such committees, divisions, boards, groups or other bodies consisting of one or more directors or to the Chief Executive or to any other person holding any other executive office as it sees fit⁵. The Football Association Board has established the Professional

Game Board (“PGB”) as a committee of the Football Association Board and, pursuant to such power, has delegated to the PGB the power to fulfil all aspects of UEFA Club Licensing on its behalf (including the role of the first instance body described in clause 4.1 above) in accordance with the PGB’s terms of reference⁶.

- 4.3 Pursuant to clause 7.4 of the PGB’s terms of reference, the PGB may delegate any of its powers to committees consisting of its committee members or employees of the Football Association or others as the PGB thinks fit. Each season the PGB shall therefore delegate the role of first instance body pursuant to clause 4.1 above, as well as any other business that the PGB thinks fit, to a UEFA Club Licensing Committee. Such UEFA Club Licensing Committee shall in the exercise of the powers so delegated conform to any regulations imposed on it by the PGB. The meetings and proceedings of such UEFA Club Licensing Committee shall be governed by regulations made by the PGB and in accordance with the provisions set out in the Licensing Manual.
- 4.4 In undertaking its function as first instance body a UEFA Club Licensing Committee shall comprise of a maximum of five persons appointed by the PGB. The FA and the League shall jointly nominate the Chairman. The FA shall nominate a further two persons. The League shall nominate a further two persons. A nominee shall not be a representative of a Club or club. The UEFA Club Licensing Committee must include at least one accountant and one lawyer when it is undertaking its function as the first instance body. The accountant must hold a qualification recognised by the Consultative Committee of Accountancy Bodies; the lawyer must be a practising solicitor or barrister qualified to practice in England and Wales. The quorum for a meeting of the UEFA Club Licensing Committee shall be not less than three. Each member of the UEFA Club Licensing Committee shall be entitled to one vote, with the Chairman having the casting vote in the event of a tie.
- 4.5 Pursuant to clause 7.7 of its terms of reference, the PGB must cause proper minutes to be kept of all proceedings of its meetings and the meetings of any of its committees (including the UEFA Licensing Committee) and of all business transacted at such meetings.
- 4.6 The PGB or any committee thereof (including a UEFA Club Licensing Committee) shall determine any dispute (save for an appeal against the refusal of a UEFA Club Licence) which may arise in relation to the interpretation of the criteria and/or this Licensing Manual (save that the Board shall acting reasonably and in accordance with applicable law, the League’s Articles of Association and the Rules determine any dispute (or aspect of a dispute) which relates solely to the interpretation of a Rule which is contained in this Licensing Manual).

5 The Appeals Body

- 5.1 An appeal by an applicant Club from a decision of the first instance body concerning the refusal of its application for a UEFA Club Licence shall be determined in accordance with the SR Appeal Regulations which shall govern the appointment of a Panel (the “Panel”).

⁶ The PGB’s Terms of Reference can be found in The Football Association Handbook. Clause 3.1.14 of the PGB’s Terms of Reference states that the PGB’s powers include “determining applications for UEFA Club Licences in accordance with the terms of the UEFA-accredited Club Licensing Manual, devising and amending the UEFA Club Licensing Manual and otherwise fulfilling all aspects of the UEFA Club Licensing regime on behalf of the FA Board”. Following the introduction by UEFA on 1 October 2008 of the UEFA Club Licensing Regulations 2008, the process of UEFA accrediting the manuals of individual licensors is replaced by a process of UEFA reviewing them and confirming that they conform with UEFA’s Club Licensing Regulations.

- 5.2 The Panel, when acting as the appeal body, will comprise 3 members of whom one is a qualified lawyer and another a qualified accountant. If the Panel fails to reach a majority decision, the decision of the Chairperson shall be final.
- 5.3 Members of the Panel are appointed for a term of 1 year by the Board of Directors of Sports Dispute Resolution Panel Limited.
- 5.4 Decisions of the Panel will be given in writing with full reasons.

6 Liability

- 6.1 Except in cases where by law liability cannot be excluded or limited, neither the Football Association, the League, the first instance body nor the Panel shall attract or incur any liability whatsoever, including for any loss of profit, loss of revenue, goodwill or anticipated savings, or for any special, indirect or consequential loss or damages of whatsoever kind whether in contract, tort (including negligence) or howsoever arising in connection with the administration in good faith of the licensing process, together with any decision made by the Football Association (or any appeal Panel) concerning the grant or refusal of a UEFA Club Licence to any Club or club and/or in respect of any work undertaken by the Football Association and/or the League in connection with "Part III UEFA Club Monitoring" of the UEFA Club Licensing and Financial Fair Play Regulations 2018.

7 Conflict of Interest

- 7.1 Any member of the first instance body or the appeal body who is not wholly independent of an applicant or appellant Club shall not participate in the determination of an application or an appeal by that Club. For the avoidance of doubt, any such member may not simultaneously be an Official of any Club or club, or a member of the Board, the Football Association Board, or the PGB.

- 7.3 No member of the first instance body may simultaneously be a member of the Premier League Panel or the Football Association's Judicial Panel.

9.3 By virtue of their employment contracts, the staff of the League are bound by confidentiality clauses.

- 13.2 The Football Association will notify UEFA in writing, by no later than, 15 April 2019 at the latest of the possibility of such an application, identifying the club or clubs concerned.
- 13.3 A Football League club which is the subject of such an application must apply to UEFA via the Football Association for the extraordinary application of the licensing system.
- 13.4 UEFA will establish the minimum criteria to be fulfilled by the applicant club and the timescale for doing so. The Football Association will notify those criteria to the applicant club.
- 13.5 The first instance body will assess the applicant club's extraordinary application in accordance with the criteria established by UEFA and forward to UEFA all documents provided by the club, any further documentation requested by UEFA, its recommendation and a written request for the club to enter the relevant UEFA Club Competition. On the basis of the above, UEFA will decide whether to grant special permission to admit the applicant club to the UEFA Club Competition in question (subject to qualification on sporting merit and the relevant UEFA Club Competition Regulations). It will communicate its decision to the Football Association who will inform the applicant club.
- 13.6 An appeal against any decision by UEFA may be made in writing to the Court of Arbitration for Sport in accordance with the relevant provisions laid down in the UEFA Statutes.

Failure to do so will render the applicant Club liable to exclusion from the following Season's UEFA Club Competitions. If a Club submits an application for a UEFA Club Licence in anticipation of qualifying for a UEFA Club Competition but fails to do so, the Board may permit the application to be withdrawn and the administration fee, or a proportion of it, refunded.
- 14.2 The League's staff examine relevant documents and carry out such inspections as are deemed necessary to establish whether the UEFA criteria have been fulfilled. They will be assisted as necessary by any other relevant experts.
- 14.3 Compliance with the criteria can be proved by production of documents and applicant Clubs can choose in each case whether to submit an original document or a certified true copy or invite inspection of the document at its address. In some cases relevant documents will already have been submitted in accordance with the Rules.

- 14.4 Where compliance cannot be proved by documents, an inspection will be necessary (an example is Serial Number 8 in the Infrastructure schedule referred to below).
- 14.5 The League's staff prepare a written report (or reports) to the Board on each applicant Club, advising whether the Board should recommend to the Football Association the grant or the refusal of a UEFA Club Licence. The League's staff send each Club its draft report and give it the opportunity to make comments thereon prior to its consideration by the Board. The League's staff consider any such comments and incorporate them in the finalised report. If the finalised report recommends refusal of a UEFA Club Licence, the League's staff advise the Club and the Club shall be entitled to attend the Board meeting which will consider the application in order to make representations to the Board.
- 14.6 The Board meets to consider the application and takes advice as necessary from any experts who have provided assistance to the League staff. The Board also considers any representations made by a Club which attends pursuant to paragraph 14.5.
- 14.7 The Board decides whether the criteria have been met and whether to recommend to the first instance body the grant or refusal of the application and the League conveys that decision to the first instance body. If the Board recommends refusal of a Club's application, it advises the Club in writing. The Club will be entitled to attend the first instance body meeting which determines the application.
- 14.8 The first instance body decides whether to grant or refuse the application and in doing so decides whether the criteria have been met. Where the criteria require the acceptance, approval or satisfaction of the Board, such criteria also require the acceptance, approval or satisfaction of the first instance body. The first instance body shall convey its decision in writing to the applicant Club via the League and, in the case of a refusal, giving reasons and informing the Club of its right to appeal pursuant to paragraph 14.10.
- 14.9 If granted, the Football Association or the League advises the applicant Club in accordance with paragraph 12.3.
- 14.10 If refused, the applicant Club may appeal against the refusal of its application for a UEFA Club Licence by submitting Form UL2 to the League on or before 2 May 2019 and the appeal shall be determined in accordance with the SR Appeal Regulations. If the applicant Club appeals, the decision of the first instance body appealed against shall have no effect pending the determination of the appeal. For the avoidance of doubt no Club shall have a right of appeal in respect of the grant or refusal of a UEFA Club Licence to a different Club.
- 14.11 A list of Clubs to which a UEFA Club Licence has been issued must be submitted to UEFA by the Football Association by 31 May 2019.
- 14.12 Either the Board or the first instance body may require an applicant Club to produce to it such further documents or other information as in its absolute discretion it considers necessary in order to discharge its functions set out in this Licensing Manual.

15 General

- 15.1 Unless withdrawn in accordance with paragraph 15.2 hereof, a UEFA Club Licence shall expire without notice to the Club on the deadline to be set by UEFA for notifications to it of licensing decisions in 2020. This is likely to be on or around 31 May 2020.

- 15.2 A UEFA Club Licence may be withdrawn by the first instance body if during its currency the Club to which it was issued no longer complies with any of the A criteria or it suffers an event of insolvency as set out in Rule E.30. In all cases where withdrawal of a licence is proposed, the first instance body shall consult the League in good time and take its representations fully into consideration. Further, if the League independently of the first instance body decides there are grounds for withdrawing a licence, it will make that recommendation to the first instance body and the first instance body will give such a recommendation full and appropriate consideration. An appeal against the withdrawal of a UEFA Club Licence shall be determined in accordance with the SR Appeal Regulations. If a UEFA Club Licence is withdrawn, the Football Association will forthwith notify UEFA who shall decide whether the Club should be eliminated from any UEFA Club Competition in which it is then competing. If the decision to withdraw a UEFA Club Licence is appealed the Football Association will forthwith notify UEFA of the appeal and whether it is successful.
- 15.3 A UEFA Club Licence is not transferable.
- 15.4 UEFA reserves the right to sanction a Club or club or eliminate a Club or club from future UEFA Club Competitions based on the applicable UEFA Club Competition regulations.

16. Governing Law

This Licensing Manual and any dispute or claim arising out of or in connection with it (including any dispute or claim relating to non-contractual obligations) shall be governed by and construed in accordance with English law.

17. The Schedules

- 17.1 The following schedules refer to UEFA's Sporting, Infrastructure, Personnel and Administrative, Legal and Financial Criteria, each of which is graded "A" or "B" (see paragraph 2.4 above). In each case, compliance with the relevant UEFA Article will determine how the first instance body, and on any appeal, Sports Dispute Resolution Panel Limited, are to determine whether the criteria have been met by the applicant Club. The standard of proof in respect of any such determination will be establishing, to the reasonable satisfaction of the relevant decision-making body, whether the criteria have been met⁷.
- 17.2 For avoidance of doubt, in all instances where the requirements of Premier League Rules referenced within this Licensing Manual, for the purposes of licensing a Club for UEFA Club Competition exceed that of the equivalent Article from the UEFA Club Licensing and Financial Fair Play Regulations 2018, then compliance with the latter will be deemed as fulfilling the UEFA criterion.

⁷ Applicant clubs should note the '[u]pdated definition of licensor responsibilities and assessment procedures' contained within the document titled 'UEFA Club Licensing and Financial Fair Play Regulations Edition 2018 - Explanation of key amendments', published by UEFA on 1 June 2018.

AUDITORS' CONFIRMATION OF PAYMENT OR
DEFERRED PAYMENT OF PAYROLL TAXES

Report of [name of Auditors] to.....Football Club (“the Club”)

Further to the requirements of Rule E.9.2 of the Premier League Rules and financial criteria set out in the Licensing Manual, we have been engaged by the Club under the terms of our engagement letter dated [date] for the purposes of supplying the following report. Our responsibility, under the terms of our engagement letter, is to form an opinion, on the basis of the work performed, and report our opinion to the Club.

Our report has been prepared for the Club solely in connection with its application for a UEFA Club Licence. It has been released to the Club and for information purposes only to the Premier League and the Football Association on the basis that our report shall not be copied, referred to or disclosed, in whole or in part, without our prior written consent, save for the Club's or the Premier League's or the Football Association's own internal purposes.

Our report was designed to meet the agreed requirements of the Club determined by the Club's needs at the time. Our report should not therefore be regarded as suitable to be used or relied on by any party other than the Club wishing to acquire rights against us for any purpose or in any context. Any party other than the Club which obtains access to our report or a copy and chooses to rely on our report (or any part of it) will do so at its own risk. To the fullest extent permitted by law, we will accept no responsibility or liability in respect of our report to any other party (including without limitation the Premier League and the Football Association).

In this report, “Assessment Date” means [*enter date, to be no earlier than 31 December 2018*]

Basis of Opinion

Our work consisted of the following procedures:

- agreeing the recorded balance of payroll taxes, being PAYE and NIC as at the Assessment Date to the payroll records of the Club;

- obtaining representations from the directors of the Club that either:
 - (a) the balance as at the Assessment Date has been fully paid as of the date of our examination; or
 - (b) an agreement has been reached for payment on deferred terms;
- examination of the bank statements, in support of the representations under (a) above; or
- examination of documents, including agreements with the taxation authorities, in support of representations under (b) above.

Our work was restricted to the procedures set out above and was not directed to the discovery of errors or misstatements which we consider to be immaterial. The procedures we performed did not constitute a review or an audit of any kind.

We do not accept any responsibility for any reports previously given on any financial information used in the preparation of this report (including any audit reports on the financial statements or tax advice provided) beyond that owed to those to whom those reports were addressed by us at the dates of their issue. This provision shall also apply to any reports (including audit reports and tax advice) issued in future.

Opinion

Based solely on the work outlined above, in our opinion:

[either*]

All the recorded payroll taxes, being PAYE and NIC, outstanding at the Assessment Date have according to the accounting records of the Club since that date been paid in full;

[or*]

All the recorded payroll taxes, being PAYE and NIC, outstanding at the Assessment Date are in the course of payment under an agreement reached with the tax authorities. A copy of the agreement letter is attached.
