

The Ball In and Out of Play

1. Ball out of play

The ball is out of play when:

- it has wholly passed over the goal line or touchline on the ground or in the air
- play has been stopped by the referee
- it touches a match official, remains on the field of play and:
 - a team starts a promising attack or
 - the ball goes directly into the goal or
 - the team in possession of the ball changes

In all these cases, play is restarted with a dropped ball.

2. Ball in play

The ball is in play at all other times when it touches a match official and when it rebounds off a goalpost, crossbar or corner flagpost and remains on the field of play.
