

Law 9

The Ball in and out of Play

1. Ball out of play

The ball is out of play when:

- it has wholly passed over the goal line or touchline on the ground or in the air
- play has been stopped by the referee
- it touches a match official, remains on the field of play and:
 - a team starts a promising attack or
 - the ball goes directly into the goal or
 - the team in possession of the ball changes

In all these cases, play is restarted with a dropped ball.

2. Ball in play

The ball is in play at all other times when it touches a match official and when it rebounds off a goalpost, crossbar or corner flagpost and remains on the field of play.

If, without intending to interfere with play unfairly, a team official, substitute, substituted or sent-off player or player who is temporarily off the field of play (injury, adjusting equipment etc.) touches the ball while it is still in play but when it is clearly leaving the field of play, this is penalised with an indirect free kick; there is no sanction.
