MEMORANDUM: CHILDREN OF SCHOOL AGE AND SCHOOL GAMES

One of the important aspects of games in school is the opportunity they afford of developing a pupil's sense of loyalty and honour. It is therefore of concern when interest in games outside the school conflict with a pupil's loyalty to the school and/or school organisations' activities.

- 1. It is usually the pupil of outstanding Football ability whose services are sought by any Club, and the Player is most likely to be a member of the school or association team. While schools' matches are often arranged on Saturday mornings and Club matches take place in the afternoon, it is considered that a player should not play in two matches on the same day, for the one match is likely to affect play in the other.
- 2. An outside Club or organisation should consult the head-teacher before selecting any child of school age to play for a team, and should accept the head-teacher's decision on these matters. Head-teachers of schools should not restrain pupils, who are not selected for school games of any kind, from playing for an outside organisation during their free time.
