

12 - KIT AND ADVERTISING REGULATIONS

Introduction

These Regulations are made pursuant to FA Rule J2 and The Association's Regulation's for the Registration and Control of Referees. Clubs are also referred to the Laws of the Game.

All references to a club or clubs in these Regulations include any team, whether or not part of a club.

Clubs participating in International competitions must also comply with all relevant regulations of FIFA, UEFA and other Confederations.

It is recommended that clubs and football boot and clothing manufacturers seeking clarification of any of the regulations do so by referring to the specific competition rules and The Association.

We would encourage clubs and football boot and clothing manufacturers to seek feedback at the earliest possible time, in relation to designs and advertising from The Association and their specific competition. Clubs and manufacturers are reminded to obtain the necessary permissions before manufacture.

A. GENERAL

1. Advertising on Clothing and Football Boots is only permitted during the period of a Match in accordance with these Regulations and the Laws of the Game. This applies to Players, including substitutes, any others in the Technical Area, including Club Officials and to Match Officials. The rules of an Affiliated Association or Competition may provide that for matches under their jurisdiction a Club is obliged to obtain permission for any of the Advertising listed in Section C below, subject always to these Regulations. Clubs must seek the permission of the Competition organiser in order to wear any items of Clothing during any pre-match warm-up, ceremony or player line up that bear any slogan or message not otherwise covered by these Regulations (for example but not limited to a message of support regarding an ill team-mate).

12 - KIT AND ADVERTISING REGULATIONS

2. Where the rules of an Affiliated Association or Competition require a Club to obtain permission under A(1), a new application for permission must be made to the appropriate body each time it is proposed to amend the Advertising. Subject to the provisions of Section B2 and Section C(5) below, or any relevant provisions of the appropriate Competition, there is no restriction on the number of such applications that may be made during the course of each season.
3. Disciplinary action in accordance with the Rules may be taken against a Club, Player, Club Official or Match Official for any breach of these Regulations.
4. The appearance on, or incorporation in, any item of Clothing, Football Boots or Other Equipment of any distasteful, threatening, abusive, indecent, insulting, discriminatory or otherwise ethically or morally offensive message, or any political or religious message, is prohibited. The Advertising of tobacco products is prohibited.
5. A Club shall observe all recognised Advertising standards and in particular those of the Advertising Standards Authority.
6. Advertising entailing the use of numerals is permitted only if such numerals clearly form part of the Advertising and cannot in any way be confused with Players' shirt numbers.
7. No colour or design may be used in Advertising that might create problems of identification for Match Officials and/or opponents. The colour and design of the Clothing of opponents, goalkeepers and match officials must be taken into account.
8. Without limiting the effect of the above, in the case of Match Officials under the age of 18 years, or a team comprising players all under the age of 18 years on 31 August in the current season, the appearance on or incorporation in any item of Clothing, Football Boots or Other Equipment of any reference whatsoever to a product, service or other activity which is considered by The Association as detrimental to the welfare, health or general interest of young persons, or is otherwise considered inappropriate, having regard to the age of the players or Match Officials, is prohibited.

It is the view of The Association that examples of such products, services or related activities would include, but are not limited to, age restricted products, services and related activities such as alcohol and gambling. Generally, reference to a public house or restaurant may be permissible, unless the establishment primarily or exclusively exists for the supply and consumption of alcohol (which is likely to be reflected in its alcohol licensing conditions). Alcoholic drinks, breweries and products, services or activities related to gambling are unlikely to be permissible under any circumstances.

Prior to entering into any contractual agreement with a product, activity or service that may be considered to be detrimental or inappropriate to young persons, Clubs and Competitions should contact The Association or Affiliated Association from which it seeks sanction to seek approval.

9. Any issues arising in relation to the interpretation or effect of these Regulations shall be referred to The Association for its determination, which shall be final and binding (subject to provisions relating to Match Officials).
10. A Club, Match Official, Competition or Affiliated Association shall supply on demand to The Association any item of Clothing for consideration as to whether it complies with these Regulations.

MEASUREMENT PROCEDURES

In order to help clubs maximise the space for their sponsors within the regulations, we have provided some practical examples of how The FA would measure sponsor advertising on football club shirts.

If you would like assistance or require clarification of measurement and sizing relevant to your club sponsor, please email sanctioning@TheFA.com

(A multiplied by B)

(A multiplied by B less C + D)

Items on kit will be measured according to their smallest geometric form (square, rectangle, triangle, circle etc), and the dimensions calculated using the usual mathematical formula.

To calculate the surface area, the widest part of the items will be measured from edge to edge. Exceptionally, items may be divided into several individual geometric forms for the purpose of calculating the surface area.

MAXIMUM 250cm²

(A multiplied by B less C + D + E)

12 - KIT AND ADVERTISING REGULATIONS

MEASUREMENT PROCEDURES OF NEUTRAL COLOURED PATCHES/SHIRT COLOURS

- A. **Sponsor advertising on a neutral coloured patch** – i.e. white sponsor logo on a black patch on a predominantly white/green shirt.

In this scenario the area measured would be the total area covered by the black patch on which the logo sits.

- B. **Sponsor advertising on a patch which is based on one of the main colours of the shirt** – i.e. white sponsor logo on a red and white striped shirt.

In this scenario the area measured would only be that around the sponsor's logo even if this logo may stand out more prominently because of the white stripes in the shirt.

- C. **Measuring of a 'chest ring'** – e.g. the white band around a club's shirt

If a club's traditional shirt contains a chest ring and that is one of the official colours of the playing kit, the area that is measured will only be around the sponsor's logo and not the whole of the chest ring.

- D. **MATCH OFFICIALS**

No Advertising of any nature, save as set out below, is permitted on Match Officials' Clothing or Football Boots without the consent of The Association or Affiliated Association.

The following Advertising is permitted:

1. The mark, logo or name of a Clothing manufacturer or a combination of the same, may appear:
 - (a) once only on the shirt provided it is an area no greater than 20 square centimetres.
 - (b) once only on the shorts provided it is an area no greater than 12 square centimetres.
 - (c) incorporated into the design of the socks, but must be limited to an area no greater than 12 square centimetres.

12 - KIT AND ADVERTISING REGULATIONS

2. Jacquard Weave

A jacquard weave or similar technique such as embossing shall be allowed providing each is limited to 20 square centimetres, with unlimited repeats being acceptable. The design of such jacquard weave may be the manufacturer's mark, logo or name. The jacquard weave shading shall be restricted to two shades differing from the base colour, using a standard Pantone reference manual.

3. Sponsor Advertising

- (i) Sponsor Advertising is permitted only if in accordance with the following conditions:
 - (a) The advertising shall consist of one single area not exceeding 150 square centimetres on one or both of the sleeves of the shirt, between the shoulder seam and the elbow.
 - (b) Any sponsorship contract must be made between the sponsor and The Association, Professional Game Match Officials Limited, Competition or Affiliated Association. A Match Official is not permitted to enter into any personal Sponsor advertising contract.
 - (c) Advertising for Match Officials shall not be permitted if it creates a conflict of interest with the advertising worn by either of the two participating teams through a shared sponsor. In the event of such a conflict, match officials shall not wear advertising from the sponsor in question. Any related advertising shall also be removed from the referee review area (RRA) and / or the video operation room (VOR) during the match.
 - (d) Revenues from Sponsor Advertising contracts should be invested in refereeing matters.
 - (e) All Match Officials are provided with shirts, apparel and/or detachable badges, logo etc. carrying Sponsor Advertising free of charge.
- (ii) Without limiting the effect of Regulation A above, Sponsor Advertising by Match Officials of any age, of tobacco-related products, gambling (including but not limited to casinos or betting companies), and alcohol is strictly prohibited.

4. Badges

Match kit shirts may carry the recognised badge of the appropriate Competition once only, which must be on either site of the breast pocket. This badge must not exceed an area of 20 square centimetres and, where it contains the established trademark, trade name or logo of a sponsor of the Competition, must be approved by The Association in advance.

In addition to the recognised competition badge the match kit shirt may carry once only on either site of the breast pocket an officially designated badge of FIFA, The Association, the relevant Affiliated Association or the Referees' Association (where relevant).

5. Sock Tie-Up

Each sock tie-up may show the name and/or badge of appropriate Affiliated Association or the Referees' Association providing it does not exceed an area of 100 square centimetres.

No Advertising is allowed.

6. Charitable and other causes

The officially designated name or logo of a registered charity or any initiative that promotes the game of football may appear as one single area on shirts, provided that such name or logo does not exceed an area of 100 square centimetres. Alternatively, such a name or logo may appear on shirts in the space reserved for the Competition sponsor, either alone or in combination with a Competition sponsor logo, provided that a total area of 150 square centimetres is not exceeded. Before any such name or logo is used on shirts, permission must be granted from the Competition in which the shirts are to be worn and The Association or Affiliated Association from which the Competition seeks sanction.

All charitable or other causes promoted under this provision must be conducted in accordance with Law 4 of the Laws of the Game.
