Where this is necessary, no Club will be asked to move more than once in any three seasons, unless, as determined by the Board it would be advantageous to the Club to do so earlier than three seasons.

- 5.5 Each year the Board will consider whether any lateral movements may be necessary at Tiers 3 to 7; if so the Clubs likely to be affected shall be notified and, if the Club does not wish to be moved laterally, given the opportunity to present a case to the Board. The decision of the Board shall be final and binding subject only to arbitration under the Rules.

In coming to its decision the Board will have regard to any representations made by any party, the distance to be travelled by any Club to be moved compared to the distance travelled in the Playing Season prior to movement, the financial impact on the Club to be moved, the frequency with which the Club has been moved in the past, the number of Clubs both in the division to which the Club is to be moved and in the division from which the Club is moved, and any other matter that it considers to be relevant.

- The remaining Clubs finishing in first or second place in the pair of Tier 4 divisions shall be automatically promoted to Tier 3.
- The Clubs finishing in third place in each of the paired Tier 4 divisions shall participate in the Tier 3 Play-Off Match of that pair of Tier 4 divisions.

If three of the Clubs finishing in first or second place in a pair of Tier 4 divisions either: (a) do not wish to be considered for promotion, or (b) are not able to demonstrate compliance with the ground grading criteria, the Minimum Standards for participation in Tier 3 and/or the Other Criteria for Promotion, then the following shall apply:

If, in relation to a scenario above in which the Clubs finishing in third place in each of the paired Tier 4 divisions stand to be automatically promoted, one of those Clubs either: (a) does not wish to be considered for promotion, or (b) is not able to demonstrate compliance with the ground grading criteria, the Minimum Standards for participation in Tier 3 and/or the Other Criteria for Promotion, then the following shall apply:

- The remaining Club finishing in third place in the other paired Tier 4 division shall be automatically promoted to Tier 3.
- The two highest placed Clubs in the division of Tier 3 to which the pair of Tier 4 divisions is geographically linked that would otherwise be liable to relegation shall each be granted a reprieve from relegation.

If, in relation to a scenario above in which the Clubs finishing in third place in each of the paired Tier 4 divisions stand to be automatically promoted, both of those Clubs either: (a) do not wish to be considered for promotion, or (b) are not able to demonstrate compliance with the ground grading criteria, the Minimum Standards for participation in Tier 3 and/or the Other Criteria for Promotion, then the following shall apply:

Save as otherwise set out below (and subject to each Club demonstrating compliance with the ground grading criteria for participation in Tier 5 and/or the Other Criteria for Promotion):

- the Clubs finishing in first place in each of the Tier 6 divisions within a Regional League Format B shall be automatically promoted to the Tier 5 division within that Regional League Format B; and
- where the Club finishing in second place in the Tier 5 division within that Regional League Format B is promoted to Tier 4 in accordance with the provisions applicable to Tier 4 and Tier 5 above, the Clubs finishing in second place in the Tier 6 divisions within that Regional League Format B shall be ranked by points-per-game (League matches only), and the Club with the highest points-per-game shall be promoted to Tier 5. Where two or more Clubs have the joint highest points-per-game, the highest ranked Club following a Tiebreaker shall be promoted to Tier 5.

In the event that a Tier 5 division within a Regional League Format B does not receive either a Club relegated from Tier 4 or no Clubs relegated from Tier 4, the highest placed Club in a relegation place in that particular Tier 5 division shall remain in Tier 5 and will not be relegated.

If the Club finishing in first place in a Tier 6 division within a Regional League Format B either: (a) does not wish to be considered for promotion, or (b) is not able to demonstrate compliance with the ground grading criteria for participation in Tier 5 and/or the Other Criteria for Promotion, then the following shall apply:

- The Club finishing in second place in that Tier 6 division shall be automatically promoted to Tier 5.
- If the Tier 5 division of that Regional League Format B requires an additional Club to be promoted from a Tier 6 division (as two Clubs from the Tier 5 division have been promoted to Tier 4), the Clubs finishing in second place in the other Tier 6 divisions within that Regional League Format B shall be ranked by points-per-game (League matches only), and the Club with the highest points-per-game shall be promoted to Tier 5. Where two or more Clubs have the same points-per-game, the highest ranked Club following a Tiebreaker shall be promoted to Tier 5.

If the Clubs finishing in first and second place in a Tier 6 division within a Regional League Format B either: (a) do not wish to be considered for promotion, or (b) are not able to demonstrate compliance with the ground grading criteria for participation in Tier 5 and/or the Other Criteria for Promotion, then the following shall apply:

- The Club finishing in third place in that Tier 6 division shall be automatically promoted.
- If the Tier 5 division of that Regional League Format B requires an additional Club to be promoted from a Tier 6 division (as two Clubs from the Tier 5 division have been promoted to Tier 4), the Clubs finishing in second place in the other Tier 6 divisions within that Regional League Format B shall be ranked by points-per-game (League matches only), and the Club with the highest points-per-game shall be promoted to Tier 5. Where two or more Clubs have the same points-per-game, the highest ranked Club following a Tiebreaker shall be promoted to Tier 5.

If the Clubs finishing in first, second and third place in a Tier 6 division within a Regional League Format B either: (a) do not wish to be considered for promotion, or (b) are not able to demonstrate compliance with the ground grading criteria for participation in Tier 5 and/or the Other Criteria for Promotion, then the following shall apply:

- No Club from that Tier 6 division shall be promoted.
- The highest placed Club in the Tier 5 division of that Regional League Format B that would otherwise be liable to relegation shall be granted a reprieve from relegation.
- If the Tier 5 division of that Regional League Format B requires an additional Club to be promoted from a Tier 6 division (as two Clubs from the Tier 5 division have been promoted to Tier 4), the Clubs finishing in second place in the other Tier 6 divisions within that Regional League Format B shall be ranked by points-per-game (League matches only), and the Club with the highest points-per-game shall be promoted to Tier 5. Where the two Clubs have the same points-per-game, the highest ranked Club following a Tiebreaker shall be promoted to Tier 5.

If the Clubs finishing in first and second place in each of the Tier 6 divisions within a Regional League Format B either: (a) do not wish to be considered for promotion, or (b) are not able to demonstrate compliance with the ground grading criteria for participation in Tier 5 and/or the Other Criteria for Promotion, then the following shall apply:

- The Clubs finishing in third place in each of the Tier 6 divisions shall be automatically promoted.

- If the Tier 5 division of that Regional League Format A requires an additional Club to be promoted from a Tier 6 division (as two Clubs from the Tier 5 division have been promoted to Tier 4), the highest placed Club in that Tier 5 division that would otherwise be liable to relegation shall be granted a reprieve from relegation,

If the Clubs finishing in first, second and third place in each of the Tier 6 divisions within a Regional League Format B either: (a) do not wish to be considered for promotion, or (b) are not able to demonstrate compliance with the ground grading criteria for participation in Tier 5 and/or the Other Criteria for Promotion, then the following shall apply:

- The two highest placed Clubs in the Tier 5 division within that Regional League Format B that would otherwise be liable to relegation shall be granted a reprieve from relegation.
- If the Tier 5 division of that Regional League Format B requires an additional Club to be promoted from a Tier 6 division (as two Clubs from the Tier 5 division have been promoted to Tier 4), the highest placed Club from the Tier 6 divisions that (a) wishes to be considered for promotion, and (b) is able to demonstrate compliance with the ground grading criteria for participation in Tier 5 and/or the Other Criteria for Promotion, that Club shall be promoted. If two or more Clubs occupy the same position in each Tier 6 division, the Clubs shall be ranked by points-per-game (League matches only), and the Club with the highest points-per-game shall be promoted (with a Tiebreaker to be applied if required).
- If no Club from the Tier 6 divisions: (a) wishes to be promoted, or (b) is able to demonstrate compliance with the ground grading criteria for participation in Tier 5 and/or the Other Criteria for Promotion, the Tier 5 division within that Regional League Format B shall operate with a lower number of Clubs in the following Playing Season,

Compliance with the ground grading criteria for participation in Tier 5 and/or the Other Criteria for Promotion shall be determined by the Board at its absolute discretion.

Tier 6 and Tier 7

In a Tier 6 division following Regional Format A, each Club finishing in eleventh and twelfth place shall be relegated to the appropriate County League at Tier 7. Where there are three Tier 7 County Leagues sitting beneath that Tier 6 division, the Club finishing tenth shall also be relegated.

In a Tier 6 division following Regional Format B, each Club finishing in ninth and tenth place shall be relegated to the appropriate County League at Tier 7. Where there are three Tier 7 County Leagues sitting beneath that Tier 6 division, the Club finishing in eighth place shall also be relegated.

All Tier 6 divisions within the same Regional League must relegate from the same position downwards (e.g. if one Tier 6 division relegates the teams placed eighth, ninth and tenth, then all other Tier 6 divisions within that Regional League must do the same).

The movement of Clubs from Tier 7 (County Leagues) to Tier 6 will be via a promotion pool.

Clubs in a League at Tier 7 playing open age 11 v 11 format can apply to the Board to be considered for promotion into Tier 6. Any such application must be made by 31 March in each year and priority will be based on the finishing positions of those Clubs. In the event that the champion Club at Tier 7 has not applied for promotion by 31 March in the relevant year, that Club will nevertheless still be considered for promotion to Tier 6.

The Board, in consultation with the relevant Joint Liaison Committee, shall decide which Clubs shall be promoted into Tier 6 (and into which division at Tier 6), taking into account:

- (a) the travel requirements for the relevant Club as well as for the member Clubs of the division it will be joining;
- (b) the number of vacancies after any relegation has occurred;
- (c) any applicable ground grading criteria; and
- (d) other published criteria for promotion pool applications.

Changes to Divisional Size

Where a Regional League is adjusting the number of Clubs within a division, they must make provisions for the club movements 12 months prior to the changes taking place. A Regional League must obtain approval for any such changes at a general meeting of the Regional League and from the Board.

Play-Off Matches

Save for where the Board may determine otherwise in accordance with this Regulation 5.6:

- Where play-off matches are required in order to determine promotion and relegation in any Playing Season, these play-off matches shall be organised at the end of the Playing Season, provided that the Clubs were given notice prior to the start of that Playing Season or, if such notice was not given, by majority agreement of all the Clubs which could be involved in the play-off matches.
- Where the Clubs participating in the play-off match(es) are members of the same League (or divisions within the same League), the rules for the play-off match(es) shall be determined by that League.
- Where the Clubs participating in the play-off match(es) are members of a different League, the rules for the play-off match(es) shall be determined by the Board.

Tiers within the same League

In exceptional circumstances and only in the case of Leagues which have divisions at more than one Tier, the promotion and relegation between Tiers which form part of the same League may be decided by a majority of those persons eligible to attend and vote at a Special General Meeting or Annual General Meeting where this is considered, subject to the approval of the Board.

Additional Teams

Second or subsequent teams from the same Club already competing in the Women's Football Pyramid are not permitted to play above Tier 6.

Power of Board

Where this Regulation 5.6 does not provide a resolution to a particular combination of promotion and relegation scenarios, the Board shall determine at its absolute discretion how to resolve the matter.

6. THE MOVEMENT OF CLUBS WITHIN THE WOMEN'S FOOTBALL PYRAMID OTHER THAN BY PROMOTION OR RELEGATION

- 6.1 Movement of a Club from participation in one League to another is not permitted other than by promotion and relegation save with the approval of the Board or in accordance with Regulation 6.3, such approval being final and binding.

- 6.2 A new Club intending to participate in a League at Tier 7 or a Club already participating in a League at Tier 7 shall be permitted to apply to the Board to compete in a League sanctioned by any County Association, regardless of whether the Club is in membership of it, where the Club can establish that: (a) the travelling required to compete in a League sanctioned by a County Association is significantly less onerous than the travelling that would be required to compete in the appropriate League sanctioned by the County Association with which it has membership (or its Parent Association, where applicable); (b) the format is not suitable for the Club; or (c) other extenuating circumstances exist. The Board shall decide, at its absolute discretion, whether this exception applies, after taking into consideration the impact on the affected Leagues and their member Clubs, the development of women's football in the area and after promotion and relegation in each affected League has been decided. The Board's decision shall be final and binding. Where the Board decides that the exception applies, the position may be subject to annual review.

- 6.3 Any Club proposing to move from one League to another, other than by promotion, relegation and/or via the promotion pool, must make applications to resign from and be elected to the relevant Leagues in accordance with the rules and regulations of those Leagues. Any such notice must in any event, and regardless of any provisions to the contrary in a League's rules and regulations, be given to both Leagues and the Board by 31st March in the relevant year in order to be effective for the following Playing Season. Only once promotion and/or relegation has been decided will a decision be made by the Board in respect of a Club's application.

- 6.4 If a Club (whether a members' club or a company) is wound up, liquidated or withdrawn or removed from a League/division in the Women's Football Pyramid and then wishes to reform and/or re-enter the Women's Football Pyramid the following Playing Season, unless otherwise determined by the Board, it will be allowed to make an application only to join a League/division a minimum of two Tiers below the League/division in which it was a member when wound up, liquidated, withdrawn or removed (e.g. from Tier 1 to Tier 3 or below, from Tier 2 to Tier 4 or below, from Tier 3 to Tier 5 or below etc.). This relates only to Clubs that wish to reform and/or return for the following Playing Season and subject to the approval of the Board as set out above.

- 6.5 If two or more Clubs ("the Merging Clubs") are proposing a transaction or series of transactions that result in the merging or consolidation ("the Proposed Merger") of those Clubs into one Club ("the Merged Club") then a formal application to do so must be received by the Board and the League(s) of which the Merging Clubs are members by 31st December to be valid for the following Playing Season.

A deed of agreement, which shall be legally binding on all parties must be submitted to The Association by 31st March in the year immediately following receipt of the application. The Board shall determine at its absolute discretion where the Merged Club is to be included in the Women's Football Pyramid for the following Playing Season subject to the provisions of item 6.5.5 below.

In arriving at its decision the Board may apply the following minimum criteria:

- 6.5.1 with regard to each of the Merging Clubs:
 - 6.5.1.1 The shareholders or members of the Club have voted to agree to the transfer of the Club's membership to the new entity and/or a licensed insolvency practitioner(s) appointed to the Club has agreed to sell or transfer some or all of the Club's assets to the new entity.
 - 6.5.1.2 All Football Creditors in the Club must be paid in full or transferred in full (with each creditor's consent) to the new entity, and evidenced as such.
 - 6.5.1.3 All other creditors in the Club must be paid in full or transferred in full (with each creditor's consent) to the new entity and evidenced as such.

6.5.1.4 The proposed new entity has provided financial forecasts to the Board and the League showing its ability to fund the Club for the next twelve (12) months or to the end of the Playing Season following transfer (whichever is the longer) and that evidence of funding sources has been provided.

6.5.1.5 The Board must have given approval for the transfer to take place.

In the event that requirement 6.5.1.1 and/or 6.5.1.3 are not fully complied with, and only where the Board, at its absolute discretion, deems there to have been exceptional circumstances surrounding the application for the merger, it may approve the merger (subject to compliance with all other provisions above);

6.5.2 the proposed playing name of the Merged Club must be acceptable to the Board;

6.5.3 the Merged Club must have security of tenure to a ground that meets the relevant ground grading requirements;

6.5.4 any other criteria that the Board may from time to time deem to be appropriate; and

6.5.5 the Merged Club will ordinarily be placed at the lower of the Tiers at which the Merging Clubs ended the Playing Season in which the application is made. For the purposes of this Regulation, if one of the Merging Clubs has finished that Playing Season in a relegation place, then they will be deemed to have ended the Playing Season at the Tier to which they would have been relegated without the Proposed Merger proceeding or if one of the Merging Clubs has finishing the Playing Season in a promotion place, then they will be deemed to have ended the Playing Season at the Tier to which they would have been promoted without the Proposed Merger proceeding.

Any decision regarding whether a proposed transaction or series of transactions falls to be considered under this Regulation shall be determined by the Board at its absolute discretion.

6.6 In the event that a League in the Women's Football Pyramid ceases to exist, the Board will use its reasonable endeavours to place the Clubs previously playing in that League at the next highest level of the Women's Football Pyramid for the following Playing Season (but is under no obligation to do so), unless otherwise requested by a Club.

7. ELECTION OF A CLUB INTO A LEAGUE

7.1 Subject to Regulation 7.3, a Club can only enter the Women's Football Pyramid at Tier 7 and only to the County League of their Parent County Association.

7.2 Any Club shall, with the permission of the Board, be permitted to compete in a League sanctioned by any County Association, regardless of whether the Club is in membership of it, where the Club can establish that: (a) the travelling required to compete in a League sanctioned by a County Association is significantly less onerous than the travelling that would be required to compete in the appropriate League sanctioned by the County Association with which it has membership (or its Parent Association, where applicable); (b) the format is not suitable for the Club; or (c) other extenuating circumstances exist. The Board shall decide, whether such permission shall be granted, after taking into consideration the impact on the affected Leagues and their member Clubs, the development of women's football in the area and after promotion and relegation in each affected League has been decided. The Board's decision shall be final and binding. If permission is granted, this may be subject to annual review.

7.3 In exceptional circumstances a League may seek approval from the Board to elect a Club not currently in membership of that League provided that there is: (a) exceptional circumstances (b) a vacancy within its constitution (c) the Club meets the entry criteria and (d) promotion and relegation issues have been satisfied.

8. CHANGE IN PLAYING NAME

A Club participating in a League at Tier 6 or above shall not be permitted to change its playing name (i.e. the name under which the Club competes in a League), as recorded when affiliating to their Parent Association, save with the prior written permission of the Board. Any application for a change of playing name must be received by the Board on or before 1 May in a Playing Season in order for it to be considered by Board for adoption in the following Playing Season. The Board will use its absolute discretion in deciding whether to approve a change in a Club's playing name.

A Club participating in a League at Tier 7 seeking to change its playing name must follow the relevant provisions contained within the rules of its County Association. Any approved name changes shall be adopted in the following playing season regardless of any provisions to the contrary in the County Association's Rules.

Any Club applying to the promotion pool with a pending change to playing name for the following season must inform the Board of this potential change.

In particular JLCs will be responsible for recommending the promotion and relegation of Clubs between Tiers 6 and 7, and will operate in accordance with their terms of reference.

The JLCs will be established on a regional basis and will comprise representatives of the Leagues at Tiers 6 and 7.

Both the Conference and the JLCs may refer a matter to the Board for determination.

11. PLAYING ORDER OF PRECEDENCE IN THE WOMEN'S FOOTBALL PYRAMID

Any Club with more than one team in the Women's Football Pyramid (including external reserve sections) shall always fulfil its fixtures in this order of precedence, subject to the players being properly registered with the League(s): first team, any second team, any subsequent team.

A League shall deal with any breach of this Regulation by the teams of a member Club playing within the same League. Any breach of this Regulation by teams of a Club playing in more than one League shall be reported to the Board who shall deal with it as appropriate.

12. PROCEDURES FOR THE DETERMINATION OF ANY MATTER, DISPUTE OR DIFFERENCE BY THE BOARD

12.1 The Board may adopt such procedures for the determination of any matter, dispute or difference as it considers appropriate and expedient, having regard to the aims and objectives set out at Regulation 2. The Board may require the attendance at a meeting or the written observations of any League or Club, as it considers appropriate to assist its determination.

12.2 Any dispute or difference between a League and a Club relating to promotion and relegation issues, lateral movement and/or other eligibility criteria must be referred for determination to the Board; such determination shall be final and binding subject only to arbitration in accordance with Rule K.

(a) Any other decision of the Board shall be subject to a right of appeal to an Appeal Board. The decision of that Appeal Board shall be final and binding on all parties. All referrals of appeals shall be conducted in accordance with Part C of the Disciplinary Regulations (Appeals – Non-Fast Track), save for appeals in relation to decisions made pursuant to Regulation 5, 6.3 and/or 7.3 where the procedures are outlined in Regulation 12.3(b) below.
