

44 - FUTSAL STANDARD CODE OF RULES

This document contains the Standard Code of Rules developed by The Football Association for open age Futsal and Youth Futsal Competitions (the “Futsal Standard Code”).

The Futsal Standard Code is mandatory for all Futsal Competitions (with the exception of Competitions in Tier 1 and Tier 2 of The FA Futsal Pathway and College and University Competitions) and incorporates rules for both open age Futsal and Youth Futsal age categories into one document, with open age and youth variations clearly marked in order that one option can be deleted as applicable. Where there is no open age or youth equivalent to a rule, it has been marked as intentionally blank.

Competitions seeking sanction must draft their Rules in conformity with the Futsal Standard Code, using the same numbering and standard headings.

The mandatory rules are printed in normal text and the optional rules in italics.

It should be noted that in many cases rules are so printed because they are alternatives and the procedure to apply should be retained and the others omitted.

In all cases where a [] is shown the necessary name, address, number or wording to complete that rule must be inserted.

Competitions may add to the core of the Futsal Standard Code, which is mandatory, providing the additions are approved by the Sanctioning Authority and do not conflict with the mandatory rules or any relevant principles and policies established by The FA and the Football Development Committee. Guidance from the Sanctioning Authority should be sought in advance if there is any doubt as to the acceptability of additional rules.
