If Competition Rule changes are required, they will be communicated to the Clubs participating in the Competition as soon as reasonably possible.

In the event of an order to replay, a postponement or an abandonment of a match, a Club may request dispensation from the National Game Board to select a replacement goalkeeper who is a registered player, but was not a registered player prior to the "Registration Deadline" (as defined below). Any such request must be made to The Association in writing (together with evidence substantiating the reasons for the request), and received no

Any such registration must have been received (with all relevant documents completed) by The Association or League by 12 noon on the Friday immediately prior to the date fixed for playing the Round, (the “Registration Deadline”). The Association (for players under written contract) or League (for players without a written contract) must also have confirmed in writing to the Club submitting the application to register the player that the registration has been accepted in order for the player to be eligible to play in the match. The player must also still be registered with the Club which submitted the application as at the date of the match. The Association (for players under written contract) or League (for players without a written contract) may confirm its acceptance of a registration after the Registration Deadline provided that such registration was received, along with all relevant documents, by the Registration Deadline. However, if The Association (for players under written contract) or League (for players without a written contract) has not confirmed in writing its acceptance of a registration 75 minutes before the scheduled commencement of the match, the player shall not be eligible to play in the match.

 - (i) A player on a domestic temporary (loan) transfer (including a player on loan either to or from a Welsh Club that’s first team competes in a League that is sanctioned by The Association in the current season) is ineligible to compete in the Challenge Trophy Competition unless permission to do so is given by the lending Club in writing (which, for the avoidance of doubt, can include appropriate wording and/or the completion of tick boxes in any loan form) and a copy is received by The Association by the Registration Deadline for that round. Any permissions must clearly state that the player has approval to play in The FA Challenge Trophy Competition. A player who is registered on a Scholarship for work experience may play for another Club, subject to written permission being given by the Club that he is registered to and provided that such

permission is received by The Association by the Registration Deadline for that round.

- (ii) For all rounds other than the Final, a player recalled to his original Club from temporary (loan) transfer, in accordance with the terms of the loan agreement, may only represent his original Club if any such recall has been received and accepted by The Association by the Registration Deadline for that round.
- (iii) A player on temporary (loan) transfer is eligible to play in a replay, or a match rescheduled as a result of a postponement or abandonment, if transferred permanently by the lending Club to the loaning Club after the Registration Deadline for that round, provided that the player was eligible to play for the loaning Club in the original match and the player's registration with the loaning Club is continuous from the Registration Deadline for that round through to the date of the replay or rescheduled match.

- (c) However, where the club satisfies the National Game Board that the club (or any of its officers) did not know and could not reasonably have known, even had it made every reasonable enquiry (with the exercise of the utmost caution), that the player was ineligible, the club shall not be removed from the Competition but may still be subject to any other penalty. (e.g. fine, ordered to replay the match).
- (d) In the event The Association is instructed to sanction a Player and/or Club in such circumstances by FIFA, The Association will follow such instructions unless there are exceptional circumstances which would, in the National Game Board's absolute discretion, lead to The Association challenging such instruction.
