

Simple Red Rosette Activity

1

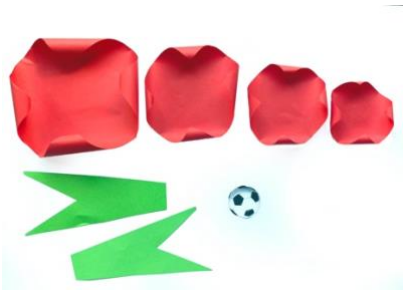

- Cut out 15cm squares
- Cut each square 1 cm smaller than the one before
- Cut x 2 Ribbon shapes
- Cut x 1 centre circle

2

- Roll in the four corners of each square using a pencil

3

- Repeat rolling corners until you have finished all the squares

4

- Glue the squares together starting with the biggest square

5

- Glue a ball image or coloured circle to the centre
- Glue the green ribbons to the back of the rosette

6

- Finished! Use some tape to wear the rosette or make it part of a poster
