

How to apply for England tickets at EURO 2020

1. Access codes

Access codes will be sent to adult Travel Club members by Wednesday 4 December. The lead applicant needs to enter a valid access code on the EURO 2020 ticketing portal. Do not share your access code with anyone because once it has been used, you will not be able to apply for tickets using the same code. Access codes are for personal use only and allocated to specific FAN numbers. If an access code is shared with anyone else, those tickets will be cancelled.

Junior members will not be sent access codes as the lead applicant must be over the age of 18 to submit a ticket request. If you're under the age of 18 and wish to apply for tickets, you must have an adult Travel Club member apply on your behalf.

2. Ticket portal

Once you've received your access code and the ticket portal has opened, you'll be able to submit your application. To access the portal, click [here](#) and confirm you're not a robot.

Proceed to your account page where you'll need to update any personal details and confirm which country you wish to follow. Please ensure you select "ENGLAND" so you can access England's match schedule.

Please note: If you submit a FAN number which is not a valid Travel Club FAN number you will receive the below message. This means you are not eligible to apply for tickets.

 The membership number is not valid or has already been used.

Please fill the information below in order to create your account. Fields mark with the * symbol are mandatory.
Please make sure your details are correct. We will use them for the delivery of tickets and you will not be able to change them after 18 December 2019, 14:00 CET.

3. Linking applications

The maximum group size for ticket applications is four. If you want to increase your chances of being allocated tickets to other groups of friends or family members (and they have already applied for the same ticket category) you can click the button which says "I have got my friend's Group ID". You'll then be required to enter in their Group ID.

Subject to seat availability, you may have the opportunity to be seated together with other applicants using the same Group ID.

4. Choose your tickets

When selecting the tickets, you must first select the fixture, followed by the category and then the quantity you require. If you select more than 1 ticket, you must enter the guest details of the ESTC members taking the additional tickets. You'll need to provide their name, date of birth and passport number. After selecting each match you'll be given the option to either "Finalise My Application" or "Add More Tickets". Add more tickets will allow you to apply for all the England matches you wish to attend.
