

Intermediary Transactions 2 February 2016 to 31 January 2017

The information below represents all Transactions involving Clubs where an Intermediary was used from 2nd February 2016 to 31st January 2017.

If the Intermediary was a company, they are listed in bold with their representative(s) in italics. If more than one intermediary acted on behalf of any of the parties (including subcontracts), they will be separated by "/".

This information has been made publicly available in accordance with the requirements of the FIFA Regulations on Working with Intermediaries and The FA Regulations on Working with Intermediaries. The information has been included in good faith for football regulatory purposes only and no undertaking, representation or warranty (express or implied) is given as to its accuracy, reliability or completeness. We cannot guarantee that any information displayed has not been changed or modified through malicious attacks or "hacking".

Intermediary Transactions 2 February 2016 to 31 January 2017

The information below represents all Transactions involving Clubs where an Intermediary was used from 2nd February 2016 to 31st January 2017.

If the Intermediary was a company, they are listed in bold with their representative(s) in italics. If more than one intermediary acted on behalf of any of the parties (including subcontracts), they will be separated by '/'

This information has been made publicly available in accordance with the requirements of the FIFA Regulations on Working with Intermediaries and The FA Regulations on Working with Intermediaries.

The information has been included in good faith for football regulatory purposes only and no undertaking, representation or warranty (express or implied) is given as to its accuracy, reliability or completeness.

We cannot guarantee that any information displayed has not been changed or modified through malicious attacks or "hacking".

Intermediary Transactions 2 February 2016 to 31 January 2017

The information below represents all Transactions involving Clubs where an Intermediary was used from 2nd February 2016 to 31st January 2017.

If the Intermediary was a company, they are listed in bold with their representative(s) in italics. If more than one intermediary acted on behalf of any of the parties (including subcontracts), they will be separated by '/'

This information has been made publicly available in accordance with the requirements of the FIFA Regulations on Working with Intermediaries and The FA Regulations on Working with Intermediaries.

The information has been included in good faith for football regulatory purposes only and no undertaking, representation or warranty (express or implied) is given as to its accuracy, reliability or completeness.

We cannot guarantee that any information displayed has not been changed or modified through malicious attacks or "hacking".

Intermediary Transactions 2 February 2016 to 31 January 2017

The information below represents all Transactions involving Clubs where an Intermediary was used from 2nd February 2016 to 31st January 2017.

If the Intermediary was a company, they are listed in bold with their representative(s) in italics. If more than one intermediary acted on behalf of any of the parties (including subcontracts), they will be separated by "/".

This information has been made publicly available in accordance with the requirements of the FIFA Regulations on Working with Intermediaries and The FA Regulations on Working with Intermediaries.

The information has been included in good faith for football regulatory purposes only and no undertaking, representation or warranty (express or implied) is given as to its accuracy, reliability or completeness.

We cannot guarantee that any information displayed has not been changed or modified through malicious attacks or "hacking".

Intermediary Transactions 2 February 2016 to 31 January 2017

The information below represents all Transactions involving Clubs where an Intermediary was used from 2nd February 2016 to 31st January 2017.

If the Intermediary was a company, they are listed in bold with their representative(s) in italics. If more than one intermediary acted on behalf of any of the parties (including subcontracts), they will be separated by '/'

This information has been made publicly available in accordance with the requirements of the FIFA Regulations on Working with Intermediaries and The FA Regulations on Working with Intermediaries.

The information has been included in good faith for football regulatory purposes only and no undertaking, representation or warranty (express or implied) is given as to its accuracy, reliability or completeness.

We cannot guarantee that any information displayed has not been changed or modified through malicious attacks or "hacking".
