A CALENDAR AND GUIDE TO EQUALITY, DIVERSITY AND INCLUSION IN GRASSROOTS FOOTBALL 2022-2023
Across football, people from a range of backgrounds, cultures and communities take part in football in different ways. This could be playing, coaching, refereeing and volunteering to name a few. The diversity of these people is one of the best things about the beautiful game.

The FA, England Football and the County FA network are working to address under-representation in football and to ensure it is inclusive through the delivery of:

- **FA Strategy 2020-2024 Time For Change**
- **FA Grassroots Strategy Survive. Revive. Thrive**
- **FA Equality, diversity and inclusion strategy A Game For All**
- **FA Women’s and Girl’s strategy Inspiring Positive Change**
- **The FA’s Code of Governance for County FA**
- **Football Leadership and Diversity Code (Grassroots)**

We hope this calendar and guide can help you with your understanding of equality, diversity and inclusion.

**HOW TO USE THIS GUIDE AND CALENDAR?**

The FA’s calendar and guide to equality, diversity and inclusion in grassroots football should be used to view the many ways in which football can bring people from all backgrounds, cultures and communities together. This is by no means a definitive list of all key celebrations, but it is a general guide to some of the EDI moments for awareness across the grassroots landscape. It is by no means definitive but a more general guide to EDI. If you are involved in running the game, whether through a club, league or facility, we always recommend speaking directly to the people who may observe any one of the dates contained in this document to understand their personal preferences and perspectives and to continue to enhance knowledge sharing.
**PROTECTED CHARACTERISTICS & FA RULES**

**EQUALITY ACT 2010**
The Equality Act 2010 legally protects people from discrimination in the workplace and wider society. There are nine protected characteristics (see image right). The basic framework protects people from direct and indirect discrimination, harassment and victimisation regardless of whether the victim holds multiple characteristics or is perceived to have or is associated with someone who has a protected characteristic.

**FA RULE E 3.2**
An aggravated breach of FA Rule E3 is when a participant is charged with insulting, abusive or improper behaviour, or brings the game into disrepute, while also including a reference, whether express or implied, to any or more of the following: ethnic origin, colour, race, nationality, religion or belief, gender reassignment, sexual orientation or disability.

**RULE B5 FOOTBALL AND RELIGIOUS OBSERVANCE**
(a) A Participant cannot be compelled to play football on bona fide occasions where religious observance precludes such activity, save where the Participant:
   (i) has consented to do so on such occasions;
   or
   (ii) is registered as a player under written contract, which shall be taken as consent to play on such occasions unless otherwise provided for in the contract.
(b) Annually, when planning programmes, Competitions shall define and notify agreed dates of such occasions.

*E3(2) does not cover Pregnancy & Maternity/ Marriage & Civil partnership.*

IN PRACTICE WITH FRENFORD & MS WOMEN’S FC

Through our FA Women’s and Girls’ strategy – Inspiring Positive Change, we want to ensure there is access and opportunity for every girl & woman to play, coach, spectate, officiate, manage or administer if they so wish.

“Starting off as just a Friday night fitness session with six players. Entered into the intermediate league of Super5league during the middle of the season. It was rough, being a beginner team in an intermediate league; goals upon goals were going in against us. When our first goal went in, we were ecstatic. It showed that our perseverance and determination weren’t in vain. It’s safe to say we didn’t win that league, but what we had learnt was indispensable. Our highlight has to be our win at the inaugural Super5 x Nike Tournament at Chelsea’s Stamford Bridge in 2019.”

* Muslimah Sports Association was established in 2014 to offer women a safe and positive environment to participate in a number of different sports without compromising their religious or cultural beliefs. To find out more click [here](#).

A CALENDAR AND GUIDE TO EQUALITY, DIVERSITY AND INCLUSION IN GRASSROOTS FOOTBALL.
FOR THOSE THAT MAY NOT KNOW YOU, CAN YOU INTRODUCE YOURSELF AND TELL US A BIT ABOUT YOU?

My name is Samira Ali, I am the co-founder, treasurer, and lead coach of the girls’ section at SMART SPORT FC. I am also a mum of two young children who inspired myself and my husband to start the club.

WHAT GOT YOU STARTED IN THE WORK YOU ARE CURRENTLY DOING?

We started the club in April 2021, after lockdown had eased. We ran a session for boys and girls in a local park, for children of our friends in the local community.

Word soon spread and numbers grew! For many of the kids it was their first time playing organised sport. Others joined having left more established clubs in search of a more inclusive club culture.

We also found girls in particular felt more comfortable in sessions with female coaches, which initially was just me, so we made a concerted effort to try and develop more female coaches from our local community and demographic. We contacted the FA for support with this and they were immensely helpful. Rachel Pavlou connected us to Sharon Muxworthy, who in conjunction with Yasmin Hussain from Frenford Clubs delivered a fantastic coaching workshop in October 2021 encouraging women in the community to get involved in coaching. On the back of this event 5 other female coaches joined our team.

**IN PRACTICE WITH WEST RIDING FA**

**“WHAT IS RAMADAN & HOW CAN IT AFFECT FOOTBALL?”**

*From the perspective of a Muslim player*

When thinking about a participant’s religion, faith or belief it is important to listen to the person. Here is an example of how West Riding FA listened to how Ramadan affects a Muslim footballer.

---

*Football’s ability to bring together people of all faiths, religions or beliefs is unrelenting. By ensuring all religions are covered by FA Rule B5, we aim to offer equal opportunities for all religions.*

*To find out more about FA Rule visit [www.TheFA.com](http://www.TheFA.com)*
We have planned and delivered The FA’s faith and football programme across England. The programme delivers events across the six most populous religions / belief groups in the country designed to bring communities together, link faith and football together more strongly and demonstrate that football is accessible to all communities regardless of background or social status. Our events have included the celebration of religious dates including Ramadan (at Wembley), Vaisakhi (in the West Midlands) and Vesak Day (in Swindon). Our work is supplemented by our central ‘Belief in the Game’ informational document outline the significance of each faith and its connection to sport and football.

Across our faith events delivered during the 21-22 season, there close to 1000 attendees from a wide range of faith communities. By taking the events into communities and using Wembley as an iconic backdrop, communities who attended our events felt both welcomed and intrigued by the various football formats on offer.

Some of our recent faith events include:
- Easter (Christianity) Online
- Ramadan (Islam) Wembley
- Vesak Day (Buddhism) Swindon
- Vaisakhi (Sikhism) Birmingham

IN PRACTICE WITH NORTH RIDING FA LGBTQ+ HUB

North Riding FA identified there was a gap in provision for under-represented groups. After consulting with various groups including York Pride, The ‘Football Hub’ was established.

The Football Hub in York is designed to encourage, promote, and engage LGBTQ+ participation in football. The hub is open to all abilities and anyone over the age of 18.

The purpose the hub is to create a footballing environment where people can be comfortable as their authentic selves and to facilitate their footballing ability. It is a safe space for all to come and enjoy the game.

“Our club is LGBTQ+ friendly, mixed ability and friendly in nature. I think it is hard for people who perhaps look different or have had a previous negative experience within sport at school to get back into football and discover the pleasure and benefits of playing again. I am extremely proud that we have created a safe and inclusive environment where that is happening every week.”

Charlotte, participant and group lead

The FA is committed to creating an inclusive game where all LGBTQ+ people are welcome and accepted. Whether it be through Rainbow Laces or celebrating LGBT History month, we aim to increase the visibility of LGBTQ+ people, their history and lived experiences as well as advancing education through our partnership with Stonewall.

**SEXUAL ORIENTATION – LGBTQ+ FESTIVAL (SUSSEX FA)**

**REVIEW**

The format of the festival included 3 different groups. We opted for a Female v Female, Male v Male and a mixed group. Each group was open to all LGBTQ+, Transgender, Non-Binary and Intersex Players, however we also wanted to ensure that if someone for example was Transgender then they had the opportunity to participate in the group they identify with. This approach ensured that we had inclusivity throughout the event and that everyone felt welcome. We had a great mix of Men and Women playing football together and supporting each other.

Although teams were encouraged to enter, individuals were also welcomed to book a place and on arrival they were put into teams. This was a brilliant approach because booking teams in advance meant that we had a base of teams guaranteed to attend each week, meaning we also had teams for individuals to be placed with.

The event was injury-free, respect was a huge part of this event and this was clear to see on the pitch as well as off the pitch. We believe the level of respect shown played a huge part in fair play and the lack of injuries.

The event was also supported by Brighton & Hove Albion FC Women and Lewes Community Football Club. Both clubs provided a number of tickets to the project. Brighton & Hove Albion FC Women also organised a player visit, we were joined by Fliss Gibbons and Keyleigh Green who cheered on the players during the festival.

Overall, we had 100+ players attending each week, a number we were very proud of. After each event the majority of players and volunteers moved to the local pub, who offered discounts to all players. Everyone enjoyed food and drink, a social that became a regular occurrence.

“Football is available to everybody regardless of background and safeguarding is everyone’s responsibility”

The FA Safeguarding Team
In Lincolnshire, we see football as a game for life, which is why in 2020 the ‘Lincolnshire FA Walking Football Steering Group’ was formed, comprising of 10 local representatives from across the county.

The aim of the steering group was for it to act as a mechanism to harness the knowledge, passion, and enthusiasm for walking football, in order to increase & develop local opportunities for the older demographic to socialise, meet new friends, and support their physical and mental wellbeing through the power of football.

The steering group presented the perfect platform to allow the voice of the local walking football community to be heard, to help shape their own local playing opportunities, whilst ensuring our clubs and players felt valued and at the heart of a collective journey as we meet on a quarterly basis.

Since it’s inception, the steering group has been instrumental in developing offers to support players of all ages and abilities, including The Lincolnshire FA Walking Football League which boasts divisions at Over 50s and over 60s, with 22 teams playing monthly and over 350 players registered above the age of 50. We have delivered friendly festivals at Over 50, Over 60 & Over 65, which has seen players getting their boots back on for the first time in over 30 years! In addition to this, we’ve also delivered 6 walking football referee workshops to ensure there’s a place for everyone across the walking football landscape. The steering group has united an array of communities and used football as the vehicle.

Through this project, we hope to have increased awareness that age is no barrier to playing the beautiful game, and whether your 7 or 77, opportunities are readily available in Lincolnshire.
