Wildcats Guidance 2020 / 2021
INTRODUCTION

WELCOME TO WILDCATS

Wildcats is a national network that will make a significant contribution to giving every girl the earliest opportunity to have a fun, enjoyable introduction to the game; a principal set out in The FA’s 2020 - 2024 strategy to inspiring positive change.

Wildcats provides girls ages 5-11 years old, regardless of ability, disability, impairment or health condition, with the opportunity to Have Fun, Make Friends and Play Football. This fun, friendly environment will develop young girls’ physical & social skills by encouraging a healthy lifestyle and inspiring them to develop a lifelong love of the game. It could also be the starting point for a future international player, referee/official or coach.

Wildcats has been developed and designed through research, as we know girls have many motivations to play football; for fun, friendship, fitness and family. We need to ensure this programme embraces difference, through its delivery and that Wildcats welcomes girls of all abilities, backgrounds and experiences.

Football has the power to change lives for the better. It can contribute to physical and mental wellbeing; it can provide opportunities to compete and collaborate with others and it can help to shape the place of girls in wider society. So much has been achieved in progressing women and girls’ football at this exciting time. We are delighted with the progress that we are making across the women’s game on every front. Yet we recognise this game has so much more potential, which can only be achieved by working together as one team, with one clear overarching plan.

Every single Wildcats provider is so important, in not only transforming the women and girls’ game in England, but also changing these young girls’ lives. With England being the sole host of UEFA Women’s EURO 2022, we hope the journey of our national team in this tournament will inspire more young girls to try and play football. We will be signposting all young girls to find their nearest Wildcats session, so what better time to be a part of this exciting programme!

We wish you the best of luck with your application and look forward to working with you.

Best Wishes
Baroness Sue Campbell DBE

DELIVERY - WHAT IS NEEDED?

Our research tells us that girls 5-11 want sessions which are:

- Weekly & Warm
- Safe & Fun
- Fitness
- Girls Only

TIMING OF DELIVERY:

Greatest demand for Wildcats is over Spring and Summer (as they are the warmest months and best time of year to engage with the beginner girl). If providers wish to continue with delivery into Autumn and Winter, then we recommend they use an indoor facility to deliver their sessions.

Delivery must be for a minimum of 16 weeks per year.

TYPE OF DELIVERY:

Sessions can be delivered outside or inside, as long as this remains a safe environment and that you comply with all health and safety requirements.

- **Outside**
  - E.g grass, multi use games area, artificial grass

- **Indoor**
  - Sports hall, school hall

Wildcats sessions can offer futsal as well as, or instead of football, as long as they follow the basic principles below:

- Use a surface with a hard court
- Play with a Futsal ball
- Where possible use Futsal Goals

Delivery must consist of a minimum of 16 weeks in year 1 (2021) and a minimum of 16 weeks in year 2 (2022).

16 weeks is the minimum requirement, however, delivery can run all year round, the more weeks delivering the better!

It is mandatory for Wildcats deliverers to use The FA’s Events platform to create, manage and take attendance at each of their sessions.
ALL WILDCATS PROVIDERS MUST BE ABLE TO EVIDENCE A SAFEGUARDING CHILDREN POLICY

If they do not have a Safeguarding Children Policy they can download The FA’s club template 1.4 by visiting:

The FA’s Safeguarding Children Policy principles must be adhered to by those involved with the delivery of Wildcats and all of its related activities. When working in partnership to deliver football activity, it must be clear how Safeguarding Children Policy principles will be adhered to, and what the process is for recognising and responding to concerns about a child.

The FA Safeguarding Children Policy principles are that:

- The child’s welfare is, and must always be, the paramount consideration;
- All children and young people have a right to be protected from abuse regardless of their age, gender, disability, culture, language, racial origin, faith or sexual orientation;
- All suspicions and allegations of abuse will be taken seriously and responded to swiftly and appropriately;
- And working in partnership with other organisations, children and young people and their parents and carers is essential.

THE SAFEGUARDING POLICY MUST BE CLEAR ABOUT THE FOLLOWING REQUIREMENTS:

- The Referral Process which includes The FA Case Management Team (Safeguarding@TheFA.com or 0800 0835 902).
- Named Designated Safeguarding Officer responsible for ensuring safeguards are in place and maintained effectively. All staff, parents/carers and players must be made aware as to who this person is and how to contact them. Providers are responsible for messaging the name of DSO & contact info to parents/carers.
- Safer Recruitment including DBS checks; via The FA DBS Unit (checks completed via the Premier League and/or PL Club should make use of The FA portability agreement to comply with the requirement for an FA accepted DBS check)
- Safeguarding Training completion of The FAs Safeguarding Children Training e.g. SCW/WOW. EFL and PL Club DSOs must be up to date with their respective leagues DSO safeguarding training requirements or complete The FAs WOW

REPORTING CONCERNS

Concerns should be reported as quickly and easily as possible. Each Wildcats provider must have a designated safeguarding officer who is clear about the FA referral and whistleblowing procedures.

PREVENTION

It is essential that every Wildcats provider implements preventative safeguarding measures to help create safe and enjoyable environments for every aspect of the proposed activities.

PLANNING, DELIVERY AND COMPLIANCE

All parties must be clear about the safeguarding requirements for Wildcats including who is responsible for what safeguards during i) planning, ii) delivery and iii) compliance monitoring.

However generally it will take about 7 working days for your check to be completed.

Our staffing criteria for Wildcats 2020/21 is outlined on page 19 these requirements will not change and must be adhered to. For the 2020/21 season we are aware that some FA Education courses are currently limited or not accessible at this current time which may impact you in applying to deliver Wildcats.

The below courses are specifically impacted; however we have created the below interim solution for the 2020/21 season which as a Wildcats deliverer you will be required to adhere to if you wish to be approved as a Wildcats provider.

If you do not comply with the interim solution provided for 2020/21 season you will no longer operate as a Wildcats provider.
Wildcats is a great opportunity to welcome new girls into the game, and we want to retain and grow these opportunities as much as possible!

**providers must be able to evidence how they will sustain their wildcats sessions, following the initial start up fund.**

**What does sustainability mean?**

Sustainable Wildcats programmes are:

- **relevant, reliable and financially viable**

**Relevant**

Is continuing to offer sessions which are appealing to the target audiences, evidenced by a high number of returning players.

**Reliable**

Running a sufficient number of weeks to ensure it builds a reputation for being open, running and delivering to a high and consistent standard; with sufficient staff to ensure it can accommodate holidays / illness etc.

**Financially Viable**

Genuinely covering its costs, including those relating to delivery, facilities, marketing, upskilling staff and administration.

**Questions to consider in your sustainability plan:**

- How much are you going to charge participants?
- How are you going to recruit staff?
- How are you going to involve your parent network?
- What links do you have to wider networks? Clubs, Schools, Colleges, Universities?
Providers must demonstrate how they will support the participants journey to and from Wildcats. This will include where participants will be recruited from, and where participants will be signposted to (when ready) to continue playing football in an environment that replicates the Wildcats values.
CRITERIA
08. Training

Providers must commit to attending Wildcats training.

Wildcats training will be delivered in Feb/March of 2021, it is mandatory for all New providers to attend and complete training. You will be unable to start any sessions until you have completed this. Please contact the County FA for support or questions regarding training. Further information and training dates will be distributed in due course.

The training will provide an introduction to Wildcats, provide technical and operational guidance, and advice on how to be sustainable after 2 years.
INCLUSIVE SESSIONS
All Wildcats sessions should ensure that they reflect the diversity of the population in local areas and must be inclusive of players with a disability, impairment or long term health condition. With the right support and coaching, players with a disability can achieve their potential, and by recognising everyone as an individual as opposed to an impairment, we believe this is possible.

DISABILITY SPECIFIC PROVIDERS
We really want to ensure Wildcats is FOR ALL, this means as we grow our network we must make sure there are suitable opportunities for disabled girls. Therefore we would encourage you and your delivery team to apply to run a disability specific Wildcats session. We will provide specific resources and training to support your delivery and in addition to this you can access our free online ‘Introduction to disability football’ module. All of which will help build your knowledge and confidence as you develop your disability specific Wildcats.

All the general principles of how to plan and deliver football sessions and activities are equally applicable when working with players with a disability, impairment or long term health condition. Providers will also need to be aware of some additional factors when working with players with a disability to ensure a safe and enjoyable environment is created but remember the players and their parents/carers will be well aware of their own needs so talk to them to find out what they are.

DELIVERERS WILL NEED TO THINK CAREFULLY ABOUT THE FOLLOWING:
• Whether additional safety checks are necessary.
• Developing a shared plan with your players in terms of goals and expectations – communicate and work together to achieve them.
• How to adapt the way sessions are delivered and organized to include everyone – sessions may need to be simplified.
• The length, intensity and frequency of sessions as well as the drills or activities within each session. (For example, some players with a disability may tire more quickly, others may need regular rests, some have difficulty regulating temperature and need to rehydrate more frequently)
CRITERIA

09. Inclusive (2/2)

PROVIDERS MAY ALSO NEED TO:

Speak to your players and their parents to ensure you know if they have any particular needs and adapt drills and warm-ups accordingly. Remember the STEP principle can help you to adapt your session to include all players, including those with a disability:

- **Space** – Modify the space by increasing or decreasing the area in which a task is to be performed or changing the distance or areas in which to score points
- **Task** – Give different players different tasks, e.g. ball juggling without a bounce and ball juggling with multiple bounces
- **Equipment** – Use different modified equipment to help players of different abilities access learning
- **People** – Modify the numbers within the practice to make it easier or harder to achieve success

Be creative in finding a variety of ways to explain or develop a particular skill. Be prepared to use a range of communication methods and tactics to meet the needs of all your players.

QUESTIONS TO CONSIDER:

- How inclusive is your Wildcats session?
- Is your session representative of the community?
- Does your session offer opportunities for players with a disability?
- Have you contacted your CFA with regards player recruitment, support and how to ensure success?
Wildcats is a community programme, which is designed to give every girl the opportunity to play football. Accessibility is about removing barriers to participation.

These may be:

- Physical Barriers: if young people have Special Educational Needs or Disabilities (SEND)
- Economic Barriers: if young people are from disadvantaged backgrounds we want to make sure some sessions are in locations which don’t require much travel; and why we have capped the entry fee at £3
- Logistical Barriers: Wildcats is a community programme and so needs to operate in community hours i.e. outside of school time.

**ORGANISATIONS SHOULD SELECT A VENUE AND A START TIME THAT IS ACCESSIBLE FOR PARTICIPANTS.**

**CAN WILDCATS BE DELIVERED AT SCHOOLS?**

Any organisation delivering Wildcats on a school site must ensure that the session is delivered at a suitable time for access for participants from surrounding schools, therefore sessions must allow a minimum of 30 minutes following the school day before starting the session.
CRITERIA
11. Participants

SESSION CAPACITY
Wildcats must demonstrate that they have a minimum capacity of 30 participants.
For example, sessions must have the correct coach ratios for 30 participants and a playing area suitably sized to host 30 participants.

PARTICIPANT TARGET
Sessions should aspire to achieve 30 participants each week over each delivery year. Understandably this may take a number of weeks to achieve, and depends on each local community and type of session, e.g. if you are a disability specific provider then we understand the number of participants is likely to be lower than those suggested here.

PARTICIPANT BOOKING/CONSENT
All participants must be booked on to a Wildcats session via The FA online booking system, by their parent/carer, prior to taking part in a session.
- Wildcats deliverers must take attendance at the end of each session.
- Wildcats coaches/volunteers must have confirmed parent/carer consent to participate;
- All Wildcats sessions must have parent/carer consent for their child to be filmed/photographed; and
- All Wildcats sessions must collect participant data and ensure its retention is in compliance with General Data Protection Regulation (GDPR); medical needs, emergency contact information, any additional needs e.g. support for impairment, learning difficulties.

IT IS MANDATORY FOR ALL WILDCATS PROGRAMMES TO USE THE FA EVENTS SYSTEM.
By using this system you will have/be:
- GDPR compliant
- Parental consent
- Photography/filming consent
- Participant medical details
- Parent/Guardian emergency contact information
- Additional needs information
- Easy attendance register system
Wildcats providers must agree to the FA Terms & Conditions upon application, and must operate within the parameters of this agreement.

The FA Terms & Conditions will be embedded into the online application process, which will provide applicants with the option to read through online or download if required.
County FAs oversee Wildcats in their local area and will be on hand to support you through the application process. You can find your local CFA contact here on the following link:
