

Contributory League Match Official Appointments
February 2011

Relinquishing an Appointment

Once an appointment has been issued to you, either on the monthly Bulletin, or as a reappointment, your **initial contact to relinquish that appointment is your individual Appointments Officer**. If he is unavailable, or not contactable, then you should contact the other Appointments Officer, or Chris Wildey, not the ReAppointments Administrator. The initial contact may be via e-mail, but the closer it gets to the game (ie. Day of the game or day before), please ensure you make verbal contact. The Manual of Guidance on this subject refers.

Season 2011 – 2012

If it is your intention not to continue officiating at this level for Season 2011-2012, please would you inform your appropriate Appointments Officer as soon as possible.

Closing Dates – Summer Period

As the 2010-2011 season comes towards its end, please be aware that you only need to close dates up to 31st May 2011. We do not need any closed dates for the month of June 2011. Any closed dates for 1 July 2011 onwards, should be held and not closed until you receive your electronic invitation of registration for season 2011-2012.

Availability for Remainder of Season

We have just experienced the worst winter weather for many years, which has caused a massive backlog of fixtures. Please be advised that it has reached a point where Competitions are arranging matches for any day during the week (including Sundays). Please ensure that you close any date that you do not wish to officiate on (including Sunday).

Match Officials Required (Football League)

The Football League is holding their Apprentice Assessment Trials (Under 16) over the half term holiday in February and require Match Officials to facilitate the games. The days and venues are as follows:

Monday 21st February - Surrey Sports Park, Surrey University, Guildford GU2 7AD

Tuesday 22nd February - Welbeck College, Welbeck DSFC, Forest Road, Woodhouse, Loughborough, Leicestershire, LE12 8WD

Wednesday 23rd February - Leeds United Thorp Arch, Walton Road, Thorp Arch, Leeds, LS23 7BA

Level 3 and Level 4 Contributory League Match Officials are invited to apply and acceptance will be on a "first come – first served" basis. Each event commences at 1.30pm and will be finished around 3.30pm. Refreshments will be provided and payment will be an all inclusive fee of £75, paid in cash on the day.

Please apply via e-mail to David.Cook@TheFA.com . You may apply for more than one venue, but MUST specify the venue(s) you wish to subscribe to. You will receive acknowledgement of your application, telling you whether you are successful or not. You will not be considered if you already have a scheduled game in the Order of Precedence. Further instructions will be issued to the successful applicants, once all three venues have been fully sourced.

Match Officials Required (Premier League)

The Premier League is holding an Under 13 Festival of Football on Sunday 30th January at the London Soccer Dome (formerly the David Beckham Soccer Centre) and requires Match Officials. Level 3 and Level 4 Contributory League Match Officials are invited to apply and acceptance will be on a "first come-first served" basis. The event will commence at 11.00am and will finish by 3.00pm. Payment will be an all inclusive fee of £75, paid in cash on the day. You will not be considered if you already have a scheduled game in the Order of Precedence.

Please apply via e-mail to David.Cook@TheFA.com . You will receive acknowledgement of your application, telling you whether you are successful or not. Further instructions will be issued to the successful applicants, once the event is fully sourced.

Social Networking Websites

Social Networking Websites have now become a part of everyday life and are accessed by many people from all walks of life. It is an individual's right to use such sites as they wish, within the bounds of legal acceptability.

However, as a Match Official in the professional and semi professional game, there is a responsibility to conduct one's self in a professional manner, both on and off the field of play. Inappropriate use of these sites may leave a Match Official open to criticism, comment or ridicule, even if the matter is of a personal nature. Inappropriate comments regarding refereeing issues or other issues on such sites which could bring football, referees or The Football Association into disrepute may make it necessary for The Football Association to take action against the Match Official in question.

Please therefore think carefully before posting on such sites. The FA would not wish you to jeopardise your position as a Match Official by making inappropriate or ill founded social comment or use of such sites.

Joint Travel Provisions

It is the responsibility of the appointed Match Referee to make arrangements for joint travel with the other Officials and for her / him to establish the most cost effective way for all three Officials to travel (Manual of Guidance - page 10 refers). All Officials are reminded that joint travel on Saturdays and Bank Holidays is non-negotiable. Any Match Officials who wish to withdraw from the arrangements on these days will be unable to make an expenses claim.

Changes to Personal Contact Details

Please note that all changes of contact details should now be sent directly by email to Contribdetails@TheFA.com, and **not** sent to the Appointments Officers.

Contributory League Bulletin

It is possible to search the bulletin for a specific Match Official or Club by following these steps:

1. Click on *Edit* on the toolbar across the top of the page.
2. Select *Search*
3. Entering the name of the Club or Match Official you require, and clicking *Search*.
4. The instances where that name appears in the bulletin will be listed on the right hand side on the page. These can be instantly accessed by clicking on them.

Match Officials Communication

Referees are reminded of their responsibilities with regard to pre-match contact with their colleagues **irrespective** of whether travel arrangements need discussion or not. The Referee **must ensure** that contact is made with his / her Assistants well before the scheduled date of the game - a courtesy call to ensure no mishaps on match days.
