YOUTH ALLIANCE COMPETITION RULES

YOUTH ALLIANCE COMPETITION RULES

1 Constitution

- 1.1 This combination of Clubs shall be called 'The Football League Youth Alliance' or any such other title as the terms of any sponsorship arrangement shall require and shall consist of not more than fifty-eight Clubs. All teams must be the youth teams of:
 - (a) Clubs in membership of the FA Premier League or The Football League; or
 - (b) other Clubs as may be admitted in accordance with Rules 1.2 and/or 1.3 below.
- 1.2 Any member club of The Football League which is relegated to the Football Conference (a 'Relegated Club'), provided that it was prior to relegation a member of the Alliance, may apply not later than 1st June immediately following such relegation for permission to continue as a member of the Youth Alliance whilst a member of the Football Conference. That application will only be considered where the Relegated Club can demonstrate that it has continuing contractual obligations to players registered as scholars (as defined by Football League Regulations). The Executive shall have the power to determine any conditions attaching to any continued membership provided always that a maximum permitted period shall be two Seasons immediately following relegation.
- 1.3 Upon such terms and conditions as it may think fit, the Executive may admit additional Clubs in order to supplement the fixtures of its existing members. Any admissions will be at the absolute discretion of the Executive but will be for one Season only. Where any Club has a youth team admitted in accordance with this Rule 1.2 that Club shall give notice not later than 1st March in that Season as to whether it wishes to be considered for membership in the following Season. Continued membership shall also be at the absolute discretion of the Executive. The Executive shall give notice as to whether membership will be continued for a further Season not later than 1st April following receipt of notification from the Club that it wishes its membership to continue.
- 1.4 The Alliance must receive the sanction of The Football Association and the constituent teams may be grouped for divisions.
- 1.5 The Regulations of The Football League Ltd for the time being in force shall apply where applicable, unless these Rules shall provide otherwise.
- 1.6 Application by Clubs for admission to the Alliance must be made in writing to the Executive, no later than 1st March in each year.
- 1.7 Any Club intending to resign from membership of the Alliance must indicate this in writing to the Executive no later than 1st April in each year. Failure to meet this deadline will render the Club liable to a fine as determined by the Executive up to a maximum of £5,000.

2 Powers of the Management/Executive

- 2.1 The Alliance shall be governed by The Board of Directors (the 'Board') for the time being of The Football League who shall have the power at any time to alter, delete or add to these Rules in such manner as they in their absolute discretion deem appropriate.
- 2.2 The Board shall have the power to act upon and enforce the Rules of The Football League Youth Alliance and shall also have jurisdiction over all matters, including any not provided for in these Rules.
- 2.3 The Board shall have the power, authority and discretion to delegate the administration of The Alliance to the Executive.

- 2.4 All decisions of The Board shall be binding subject to the right of appeal to the Board of Appeal in accordance with Rule 11.3. Decisions must be notified in writing to all concerned within twenty-one days.
- 2.5 The Board reserves the right to expel any club from membership of the Alliance that it feels is detrimental to the standards expected of Youth Alliance clubs.

3 Competition/Structure/Fixtures

- 3.1 Clubs will be divided into North and South and then into Regional Divisions within each area. The Executive will determine both the format and fixture list for the forthcoming season, based upon the number of participating clubs.
- 3.2 The Executive has determined that the FL Youth Alliance season will conclude in parallel with the Football League season. Any matches still outstanding may be regarded as null and void at the absolute discretion of the Executive.
- 3.3 League positions will be determined by dividing the number of points by the number of games played by each club (points per game ratio).
- 3.4 In all matches, points shall be awarded on the basis of three points for a win and one point for a draw.
- 3.5 If two or more Clubs are level on points per game ratio, the Club having the best goal difference shall be declared the winner. In the event of the difference being equal, the winner shall be the club which has scored most goals.
- 3.6 In the event that Clubs cannot be separated on points per game ratio, goal difference and goals scored, then the result(s) of the fixture(s) between the clubs involved shall be the deciding factor. If Clubs cannot be separated in this manner a play-off match or matches as determined by the Executive may be arranged.
- 3.7 All matches shall be played in accordance with the Laws of the Game of Association Football as settled by The International Football Association Board.

4 Length of Play/Kick-off Times/Conditions of Play/Substitutes

- 4.1 All matches shall be of 90 minutes duration (45 minutes each way) with a half time interval not exceeding 15 minutes.
- 4.2 Matches shall be arranged to be played on Saturday mornings. Any clubs wishing to play at any other time will only be allowed to do so (on an exceptional basis only) upon written application and approval of the Executive. Rearranged mid-week matches to kick off at 2:00pm, unless mutually agreed and approved by the Executive.
- 4.3 The Kick-off time for all matches shall normally be 11:00am unless mutually agreed otherwise and approved by the Executive. Any Club failing to Kick-off at the appointed time may be fined a Specified Penalty (£25) or be otherwise dealt with as the Executive may decide. In the event that the visiting team has to travel a distance of more than 120 (one hundred and twenty) miles or for a period exceeding two and a half hours, they can request a later kick-off time, such request not to be unreasonably withheld. Any disputes as to kick-off times will be determined by the Executive.
- 4.4 Referees must order matches to commence at the appointed time if possible and must report all late starts to the Executive.
- 4.5 It is the responsibility of the Home Club to give notice in writing containing full details particularly of the location of the ground, time of kick-off and means of reaching the ground, to the Referee (and Assistant Referees) and the Secretary of the opposing Club at least five clear days prior to the date of the match, and the opposing Club and match officials shall acknowledge such notice.

Any Club failing to carry out these provisions will be fined a specified penalty in the absolute discretion of the Executive.

DISTRIBUTION OF CONTRIBUTORY LEAGUE MATCH OFFICIAL APPOINTMENTS FOR SEASON 2011-2012

Referee administration for Contributory League football will, from season 2011/12, be completed online via the Match Official Administration System (MOAS). The system will enable clubs and leagues to view their appointed officials, receive match official reappointments for their games, access live contact information for the match officials appointed, and complete the club report on referee form after each game without the need to email it to The FA.

A user guide will be distributed to the main club secretary prior to the start of the season with instructions on how to use MOAS.
